FOR IMMEDIATE RELEASE

2012 Street Maintenance Program Update

Kerrville - The City of Kerrville Street Division will begin Phase 3 of the 2012 Summer Street Maintenance Program by reconstructing and asphalt paving First St. from Gilmer to Travis St., Meadowview Ln. from Singing Wind Dr. to Amelia Ct., Meadowview Ln. from Hwy 27 to Burleson Dr., and Richardson (all). This work will be in progress from Friday August 8 to approximately Friday August 31, 2012 between the hours of 7:00 a.m. and 7:00 p.m. Monday through Friday.

No road closures are anticipated; however, alternate lane closures will occur during this period and traffic through these areas should anticipate lower speeds with the possibility of delay through the work zone. Access for residents, postal service and emergency services will be possible at all times with only minor delays.

Door hangers will be distributed to those directly affected by these projects with detailed information as we approach each street. This will conclude the majority of our 2012 paving season. Remaining funds may or may not allow for paving of additional streets this year.

Made possible by direction from Kerrville City Council this is the third paving season for the City of Kerrville Street Division providing rehabilitation of city streets and saving valuable tax dollars whereas these repairs would not be possible otherwise.

For additional information concerning the Street Maintenance Program contact Charlie Hastings, Director of Public Works at 830.258.1220 or visit the City's website at www.kerrvilletx.gov .
