### **Quarterly Beautification Day Set for September 17<sup>th</sup>**

**Kerrville, Texas (September 9, 2016)** – The Kerrville Beautification Advisory Committee (KBAC) is pleased to announce that the next Kerrville Beautification Day will be held on Saturday, September 17, 2016. The theme for this quarter is “Team Up to Clean Up, Trim Up and Prep Up.”

This quarterly beautification day was established by the KBAC to encourage citizens to be proactive and help make a difference in local neighborhoods. This is an excellent opportunity to practice good stewardship and lend a helping hand to those who are in need of assistance. One goal of this initiative is to increase community pride and bring Kerrville citizens and organizations together.

“The KBAC decided it would be beneficial to expand the theme of this quarter’s beautification day to include multiple objectives rather than focusing on just one. The Solid Waste Program offers a variety of services that can help achieve this quarter’s beautification goals. For instance, rate paying customers can obtain a voucher to haul debris to the transfer station through the end of this month. However, citizens need to be advised that those

vouchers are only good through September 30<sup>th</sup>,” said David Barerra, city staff liaison to the KBAC. “Residents are also encouraged to take advantage of the monthly yard waste collections. This month’s curbside collection will be held the week of September 19<sup>th</sup>. It is very important that citizens who wish to take advantage of these services, be aware of the guidelines.”

To view those guidelines and learn more information about these programs you can visit the City of Kerrville’s website at [www.kerrilletx.gov](http://www.kerrilletx.gov) and locate the Solid Waste Calendar.

The Kerrville Beautification Advisory Committee meets the first Thursday of every month at 1:00 p.m. at City Hall which is located at 701 Main Street. Meetings are open to the public and visitors are always welcome. For additional information, please contact the City of Kerrville at (830)257-8000.
