Quarterly Beautification Day to be held December 3rd

Kerrville, Texas (November 23, 2016) – The Kerrville Beautification Advisory Committee (KBAC) is pleased to announce that the next Kerrville Beautification Day will be held on Saturday, December 3, 2016. The theme for this quarter is ‘Household Hazardous Waste Round-Up.’

This quarterly beautification day was established by the KBAC to encourage citizens to be proactive and help make a difference in local neighborhoods. One goal of this initiative is to increase community pride and bring Kerrville citizens and organizations together.

“The KBAC decided it would be beneficial to hold this quarterly beautification day exactly one week before the annual Household Hazardous Waste Collection event,” said David Barrera, city staff liaison to the KBAC. “All residents are encouraged to take some time to gather old paint cans, tires, electronics or other potentially hazardous waste and prepare those items for drop-off at the free waste collection event on December 10th. This year’s event will be held at the Hill Country Youth Event Center from 8:00 a.m. to 12:00 p.m. It is an

excellent opportunity to de-clutter your property and responsibly dispose of potentially hazardous waste.”

The Kerrville Beautification Advisory Committee meets the first Thursday of every month at 1:00 p.m. at City Hall which is located at 701 Main Street. Meetings are open to the public and visitors are always welcome. For additional information about this year’s Household Hazardous Waste Collection event, visit www.kerrvilletx.gov, or contact the City of Kerrville at (830) 257-8000.
