Providing service to both City of Kerrville and Kerr County residents.

Please sort the following accepted items according to category. **Example – place items by each category separately into a used grocery bag, new plastic bag, a box or other container.** This effort by you (our customer) allows us to provide an efficient and better quality of service.

Categories:

Cardboard: cereal, kleenex, pizza, soap bar boxes, paper roll and tissue inserts, soft drink packaging, moving boxes, product shipment boxes. **No waxed or plastic coated cardboard items.**

Newsprint: newspaper and the inserts that come with it

White paper: office paper, school notebook, and office printer paper

Mixed paper: direct mail, envelopes, or post it notes – **No tissues or paper towels**

Shredded paper: white paper cut up, must be placed in a plastic or brown bag

Magazines: magazines, catalogues & telephone books

Phones: cell phones with rechargeable battery and house phones

Styrofoam: cups, plates, egg cartons, and packing material (shipping peanuts in separate container or bag). This styrofoam must be one that is easily breakable. If comes in contact with food products must be as clean as possible. The packing material does not include those types that are spray in foam form, that usually come plastic wrapped.

No food products or liquids for the following: Also, rinsed & drained as much as possible if needed.

Steel/tin cans: metal can and metal lids (labels do not have to be removed)

Aluminum products: cans, foil, and pie plates

Plastics: number 1 & 2 (**remove lids from bottled items**)

Plastic grocery bags: number 2

Glass – Two types

Type One

- Clear, green, brown, blue, can be mixed

Type Two

- **Ovenware/Stovetop;** Corning, Corel, Pyrex, i.e., Casserole dish and pie plates,
- **Kitchen ware/Household ware;** drinking glasses, vases & clear ware,
- **Stoneware;** dishes; plates and coffee cups.

All glass should be rinsed and have the metal lids removed as they can be placed in the steel/tin can category.

Also, no window glass of any kind is accepted.

Rechargeable Batteries: These batteries must be labeled “rechargeable” or have a recycle symbol, (usually labeled RBRC) in order to be accepted. These batteries are commonly found in cordless power tools, cellular and cordless phones, laptop computers, camcorders, remote control toys, and portable household appliances, also including small sealed lead (Pb) batteries. This does **not** include car or motorcycles batteries.

Ink cartridges, Laser and Copier Toner cartridges

Ink cartridges need to be in their original box or a similar one, but if neither is available, then a Ziploc bag is acceptable.

The Laser and Copier Toner cartridges must be placed in a plastic bag that is securely closed and their original box.
