“Park & Watch: Drive-In Movie” set for March 20 in Kerrville-Schreiner Park

Kerrville, Texas (March 15, 2021) – For the first time ever, the Kerrville Parks and Recreation Department will be hosting “Park & Watch”, a special drive-in movie experience in Kerrville-Schreiner Park, 2385 Bandera Hwy. We are very excited to announce this extension of our “Movies in the Park” series for our community in a more nostalgic fashion. On Saturday, March 20 beginning at 8 p.m. or dark, “The Goonies” (PG) will be screened drive-in movie style.

Tickets are \$6 per person (up to two people) or \$15 per vehicle. Vehicles with more than two people will be charged the defaulted vehicle rate. In that case, only one ticket is required per vehicle. Buy your ticket soon as there is limited availability. Sound will be played through your car radio, and refreshments (popcorn, drinks and candy) will be available for purchase, cash only. You can purchase tickets [online](#) or by calling the Parks and Recreation Department at (830) 257-7300. Be sure to review all rules and regulations for the event prior to purchasing a ticket.

All CDC and State recommendations and guidelines regarding COVID-19 will be enforced.

We ask that all guests remain in their vehicles for the duration of the performance and stay socially distant (6 feet) from other groups. If it is absolutely necessary for a person to leave their vehicle/parking spot, state mandates and guidelines should be followed. Guests are encouraged to wear a mask and self-screen prior to attending the event.

Rules and Regulations

Parking information

- The lot will open one hour before the start of the movie.
- We ask tall vehicles with lift kits or items on their roof choose a back row spot to be courteous to other guests watching from smaller vehicles for better visibility.
- Parking spots will be determined by “first-come first-served” basis. Park in designated parking space (one vehicle per space).
 - Do not move to another spot during the film or to an open space in front of you. You can back into your spot.
 - RV's, trailers, and buses are NOT PERMITTED.

During the show procedures

- You are not allowed to leave the lot and come back during the movie. Once the movie begins, entry into the event area will not be permitted.
- You can enjoy the show from your tailgate, hatchback (as long as it does not lift above the vehicle), or from inside your vehicle.

- Grilling, yard games and other traditional tailgating activities are NOT PERMITTED.
- Restrooms will be available; however, we ask everyone to please eliminate or minimize the need to leave your vehicle.
- Outside food and drinks are welcome. Please take any trash you have with you to limit person-to-person contact and encourage social distancing.
- Alcohol, tobacco, or e-cigarettes are not permitted.
- You cannot keep your car running if you have after-market mufflers, a diesel engine, head lights that stay on, or an unusually loud engine or fan.

After show procedures

- We will have parking attendants assisting during the exiting process. We ask everyone to be patient during this process for the most safe and efficient experience for everyone.
- We ask everyone that has already entered the lot to stay during the whole movie; however, if there is an emergency you can call for help from one of the attendants to assist you leaving the lot.

COVID-19 disclaimer

Exposure to COVID-19 is an inherent risk in any public location where people are present. We cannot guarantee you will not be exposed during your visit. The CDC advises that older adults and people of any age, including children, who have serious underlying medical conditions might be at higher risk for severe illness from coronavirus. Guests should evaluate their own risk in determining whether to attend. People who show no symptoms can spread

coronavirus if they are infected. Any interaction with the general public poses an elevated risk of being exposed to coronavirus.
