Kerrville (June 17, 2021) – The City of Kerrville Public Works, Solid Waste Division would like to remind citizens about their free bulk waste drop-off voucher for the next quarter. The voucher is intended for Kerrville residents that have an active account for solid waste services.

Bagged trash, as well as brush and yard waste, is also allowed to be dropped off at the landfill with the voucher. Be advised that visitors to the site must wear a

reflective safety vest or something similar. Vests are available at the scale house located at the site for a \$2.00 fee.
