For safety, Louise Hays Park will be closed to vehicular traffic all day on Oct. 16, with the exception of legally marked handicapped vehicles (plates/tags) while spots last. Free covered parking is available in the downtown parking garage on Clay St. As a courtesy, FREE shuttle buses will provide transportation to the park for those that park in the Downtown parking garage. Limited parking will also be available in the grassy area in front of Lehmann-Monroe Park at the intersection of La Casa Drive East and Park Lane East.

Pedestrians can access the park via the main Louise Hays Park entrance, Lehmann-Monroe entrance, the new sidewalk connection entrance near Park Lane Apartments, and the

River Trail (before 6 p.m.). Additionally, the stairs and bridge located behind the Butt-Holdsworth Memorial Library are closed for safety and inaccessible.

Kerrville River Trail

The River Trail will be closed from Francisco Lemos Street through Tranquility Island beginning at 6 p.m. for safety during the fireworks show. The public may enjoy the use of the island until this time, and resume again on Sunday. The trail is open from dawn to dusk each day. Motorized vehicles, including golf carts, and skateboards are prohibited on the River Trail.
