Dear Kerrville City Council:

The members of the Senior Services Advisory Committee would like to thank you for the opportunity to help serve our community. During the past two years, we have accomplished a number of projects and have some great ideas for the future.

One of our largest challenges has been the ability to meet and work as a committee due to the restrictions of a quorum. We are currently set for 14 members and with only an average of 5-6 regular attendees, we do not have a quorum and thus cannot meet. The committee is requesting the city council's support in considering changing the member limit to 9. This will give the members a chance to continue to meet and be productive as vital part of the community.

Sincerely,

Waverly Jones
