SUMMARY STATEMENT:

The City's GIS provides information and tools to assist City staff with their business processes and decision making. The City has long used Kerr Central Appraisal District's (KCAD) tax parcel GIS layer in the decision making process and more recently in software integrations. Creating a new parcel base map with more accurate boundaries will save staff resources and provide greater confidence when making decisions. With the new parcel base map, user will have better data accuracy when integrating property lines into our workflows and analysis (My Government On-line, Park Fee analysis, short term rental locations, etc.). In addition, it will assist in updating the accuracy and boundary standardizations of many other GIS layers such as city limits, zoning, water CCN, land use, pressure planes, facility sites (parks, schools, city property, fire districts, TIRZ, etc.) Per the purchasing policy, the IT department has worked diligently to develop a request for proposal in regards to the creation of the new parcel base map. Several vendors

responded to the request for proposal. We had an internal evaluation team that consisted of the Executive Director of Public Works, the Planning Director and the Director of Engineering. It was determined that Bureau Veritas will provide the best solution for the best price. Attached is a bid tabulation sheet.

Of all the proposals, the Selection Team selected Bureau Veritas based on cost and deliverables.

Bureau Veritas proposed solution meets the following criteria:

- The deliverable shall be based on plat and deed information where available
- The deliverable shall show at least the following features:
 - Block and lot lines for all platted subdivisions as available
 - Property lines within unplatted subdivisions as available
 - Highway and street right-of-way as available
 - Major drainage ways as available
 - Railroad right-of-way as available
 - Highway designations and street names
 - Major bodies of water
 - Subdivisions and their names
 - Corporate limits
- The deliverable shall be in a GIS format
- The deliverable shall be provided to Kerr CAD.

A copy of the 2021 Bureau Veritas bid and quote are available for viewing in the City Secretary's office at City Hall.

RECOMMENDED ACTION:

Authorize the City Manager to finalize and execute contract with Bureau Veritas.

Parking:

A Short Term Rental requires one (1) off street parking space per bedroom and one (1) additional off street parking space for a manager that does not live onsite. This rental has 2 bedrooms and no onsite manager so 3 off street parking spaces are required. The applicant has identified 3 available off street parking spaces. Parking requirements can be met.

Case Summary:

The applicant is proposing to use an existing home as a Short Term Rental.

The subject property is located within an R-1A zoning district. As such, a Short Term Rental requires a Conditional Use Permit.

On October 7th, the Planning and Zoning Commission recommended the case for approval.

Good Afternoon,

Based on previous actions taken, I am expecting that Council intends to discuss/order the next Kerrville General Election at it's lone December meeting. Furthermore, based on previous statements made by some councilmembers and the City Attorney, it would seem the intent will be to order the next election in May 2022. As has been articulated previously, this would of course violate the City Charter and I would like to be the presenter of a discussion (not action) item to be placed on the next available council meeting. Preferably the lone November meeting as it will be the only one to be held prior to December.

The requested item would essentially be a discussion concerning the relevant laws/ordinances (City Charter, Texas Election Code and the Governor's Proclamation of March 18, 2020) related to when the next Kerrville General Election is to be held. To be clear, this is NOT to be a discussion about moving all future city elections to November. This will only be a discussion narrowly focused on the next election where Mayor, Place Three and Place Four would be up for election.

Agenda Item Title: A discussion to determine when the next Kerrville General Election shall be prescribed to be held to elect the Mayor, Place Three and Place Four of the City Council.

Agenda Item Detail Discussion:

What section(s) of the City Charter or which ordinance(s) define when general elections are to be held in Kerrville?

No ordinance, state law or the Kerrville City Charter mandates that general elections in Kerrville be held on a specific date however the City Charter does state that members of Kerrville City Council shall hold office for a term of two years.

Kerrville City Charter

Section 2.03. - Term of Office.

a. The members of the City Council shall hold their offices for a term of two years and until their successors have been elected and duly qualified in accordance with this Charter. Five Councilmembers will be elected at large, two in one year for Places One and Two, and the following year, three will be elected for Places Three; Four and Mayor, respectively.

What marks the beginning of a councilmember term of office?

The beginning and ending of terms of office are always marked by an election. As indicated above in City Charter section 2.03, terms of office for Kerrville City Council begin when a councilmember

position is elected and duly qualified and the terms end whenever the successor has been elected and duly qualified. In contrast, if a vacancy occurs on Council and is filled via special appointment, this term would begin whenever the original councilmember had been elected, not on the date of appointment.

If the Charter does not mandate specific dates to hold general elections, how are election dates to be determined in Kerrville?

Section 2.03 of the City Charter states that councilmembers shall be elected for a two year term therefore elections are to be held two years following the preceding election for the respective councilmember positions. State law allows cities to hold general elections on one of two statutory uniform election dates. Municipal elections can be held on either the first Saturday in May or the first Tuesday after the first Monday in November (Texas Election Code, Section 41.001).

When did the terms begin for the current Mayor, Place Three and Place Four councilmembers?

November 17, 2020 marked the beginning of the current terms of office for Mayor Blackburn and councilmembers Judy Eychner and Brenda Hughes. All three were elected on November 3, 2020 and duly qualified at the city council meeting held November 17, 2020 in order to canvass the election.

City of Kerrville Resolution 24-2020 was approved on November 17, 2020 to officially certify the election results and mark the beginning of the terms of office. Curiously, the resolution included two clauses that highlighted the confusion over the impact of the Governor's Proclamation:

"**WHEREAS**, the City of Kerrville, Texas, held its general election on the 3rd day of November 2020, for the purpose of electing Mayor, Councilmember Place Three, and Councilmember Place Four, **each to serve the remainder of a two-year term**; and"

"**SECTION FOUR.** The election was duly called, notice thereof given, and held in accordance with the laws of the State of Texas governing the same; that the following named people, having received the highest number of votes cast for the respective offices **are declared duly elected for a term that will continue through May 7, 2022**, subject to their qualifying and taking the required oath:"

These two clauses obviously are mistaken representations of the facts as the terms of the three councilmembers elected in November 2020 did not begin until they were elected and duly qualified immediately following the election. In reality, these elected officials were not completing an unfinished term but were beginning a new term of office.

Didn't the Governor's Proclamation mandate shortening the terms of officials elected in November 2020?

No. Due to COVID-19 concerns, the Governor's Proclamation of March 18, 2020 granted municipalities the narrow authority to move elections originally scheduled for May 2, 2020 to instead be held November 3, 2020, effectively postponing the begin dates of the respective terms of office until November 2020. The proclamation went further to state that this was a one-time allowance and granting no other authority to make modifications to the municipalities' election terms or calendars.

I am submitting this to the City Secretary and the entire Council in hopes of garnering the support of at least one councilmember willing to acknowledge and support the need to have this discussion concerning proper enforcement of the City Charter.

Thanks,
George Baroody

City Charter

Article II Governing Body

Section 2.03. - Term of Office.

a. The members of the City Council shall hold their offices for a term of two years and until their successors have been elected and duly qualified in accordance with this Charter. Five Councilmembers will be elected at large, two in one year for Places One and Two, and the following year, three will be elected for Places Three; Four and Mayor, respectively.

Governor's Proclamation Issued March 18, 2020

"NOW, THEREFORE, I, GREG ABBOTT, Governor of Texas, under the authority vested in me by the Constitution and Laws of the State of Texas, **do hereby suspend Sections 41.0052(a) and (b) of the Texas Election Code** and Section 49.103 of the Texas Water Code to the extent necessary **to allow political subdivisions that would otherwise hold elections on May 2, 2020, to move their general and special elections for 2020 only to the next uniform election date**, occurring on November 3, 2020, **without otherwise adjusting the term of office.** I further suspend Sections 31.093 and 42.0621(c) of the Texas Election Code to the extent necessary to require all county election officers, if requested by an affected political subdivision, to enter into a contract to furnish election services with any political subdivision who postponed their election to November 3, 2020, under the authority of this proclamation."

Texas Election Codes Suspended:

Sec. 41.0052. CHANGING GENERAL ELECTION DATE. (a) The governing body of a political subdivision, other than a county or municipal utility district, that holds its general election for officers on a date other than the November uniform election date may, not later than December 31, 2016, change the date on which it holds its general election for officers to the November uniform election date.

(b) A governing body changing an election date under this section shall adjust the terms of office to conform to the new election date.

(c) A home-rule city may implement the change authorized by Subsection (a) or provide for the election of all members of the governing body at the same election through the adoption of a resolution. The change contained in the resolution supersedes a city charter provision that requires a different general election date or that requires the terms of members of the governing body to be staggered.

(d) The holdover of a member of a governing body of a city in accordance with Section 17, Article XVI, Texas Constitution, so that a term of office may be conformed to a new election date chosen under this section does not constitute a vacancy for purposes of Section 11(b), Article XI, Texas Constitution.

(e) The governing body of a newly incorporated city may, not later than the second anniversary of the date of incorporation, change the date on which it holds its general election for officers to another authorized uniform election date.

Texas Election Code – Uniform Election Dates

Sec. 41.001. UNIFORM ELECTION DATES.

(a) Except as otherwise provided by this subchapter, each general or special election in this state shall be held on one of the following dates:

- (1) The first Saturday in May in an odd-numbered year;
- (2) The first Saturday in May in an even-numbered year, for an election held by a political subdivision other than a county, or ordered by the governor; or
- (3) the first Tuesday after the first Monday in November.

The next City of Kerrville General Election will be held to elect expiring terms of the Mayor, Place Three and Place Four councilmembers. The current officeholders were all elected at the general election held November 3, 2020. That election had been originally scheduled for May 2, 2020 however, due to COVID-19 concerns, was allowed to be rescheduled for November 3, 2020.

There has been some confusion over the impact of this one-time change on subsequent election dates to be held here in Kerrville which has prompted this discussion item. Council will review and consider how to comply with the wishes of its citizens as outlined in the City Charter as it pertains to the scheduling of the next general election.

What section(s) of the City Charter or which ordinance(s) define when general elections are to be held in Kerrville?

No ordinance, state law or the Kerrville City Charter mandates that general elections in Kerrville be held on a specific date however the City Charter does state that members of Kerrville City Council shall hold office for a term of two years.

DRAFT 8/12/21

PROCEDURAL RULES FOR MEETINGS KERRVILLE CITY COUNCIL

SECTION ONE. GENERAL PROVISIONS

Rule 1.1 Scope of Rules; Intent. These rules govern the conduct of the Council at or in relation to its meetings and shall be interpreted to ensure fair and open deliberations and decision-making. The rules are intended to promote and maintain courtesy, civility, and collegiality during meetings. Acting as a governing body, Council is the ultimate authority in the application, interpretation, and enforcement of these rules.

Rule 1.2 Technical Parliamentary Forms Abolished. Except as specifically required by these rules, Council shall not use any formal points of parliamentary order, personal privilege, parliamentary inquiry, or other technical forms.

Rule 1.3. Rulings; Matters Not Covered. Rulings on procedure are governed by the presiding officer or by a majority of Council, which would prevail. Section 3.02 of the City Charter provides the following basis for this:

The Mayor shall preside at meetings of the Council and shall exercise such other powers and perform such other duties as are or may be conferred and imposed upon him by this Charter and the ordinances of the City.

Any matter or order or procedure not covered by these rules may be deferred to the presiding officer or legal counsel, as appropriate.

Rule 1.4 Interpretation. These rules are intended to supplement and shall be interpreted to conform to Texas law and the City's Charter and its ordinances. In general, these rules shall be interpreted to allow the majority to prevail but preserve the right of the minority to be heard.

Rule 1.5. Authority to Change and Adopt Rules of Procedure. Adoption and/or modification of rules governing City Council meetings is addressed in Section 3.04 of the Charter, which provides the following with respect to rules of procedure:

...The Council shall determine its own rules and order of business and keep a journal of its proceedings. It shall have power to compel the attendance of absent members, may punish its members for disorderly behavior, and by vote of not less than a majority of all its members, expel from a meeting a member for disorderly conduct for the violation of its rules; but no member shall be expelled from a meeting unless notified of the charge against him and given an opportunity to be heard in his own defense.

SECTION TWO. TIME AND PLACE OF MEETING

Rule 2.1. Regular Meetings. Scheduling regular meetings is governed by Section 3.01 of the Charter and Section 2-31 of Article II of the Code of Ordinances. Section 2-31 of Article II of the Code of Ordinances provides:

City Council will hold its regular meetings on the second and fourth Tuesdays of each month, beginning at 6:00 p.m. The Council may, by majority vote at a regular meeting, change the days or times of meetings as circumstances may necessitate.

Rule 2.2. Special Meetings/Informal Events.

- (a) *Special Meeting.* A “special meeting” of Council is defined as a meeting where at a minimum, City business will be deliberated. A Council workshop or a meeting other than a regular meeting specified by 2.1, above, are examples. Section 3.01 of the Charter provides:

Special meetings shall be called by the City Secretary upon request of the Mayor, the City Manager, or a majority of the members of the Council.

The preferred method for a Councilmember seeking to call a special meeting is to do so at a regular meeting through the making of a motion under future agenda items. A Councilmember may, however, contact the City Secretary or City Manager in writing, which may include email, and request a meeting by also providing the purpose of the meeting and timing of such. The City Manager shall then seek to schedule the meeting with the Council if a majority of its members agree to do so. The City Secretary or City Manager shall notify Councilmembers of all special meetings.

- (b) *Informal event.* It is important that when more than two Councilmembers are invited or may attend any event or gathering where City business may be discussed, the event should be posted as a precautionary measure. Such “informal events” may include a town hall discussion, informational gathering, or a community event at which one or more Councilmembers may present information concerning public business or policy. Where a Councilmember believes that such an event may occur, the Councilmember may request that the City Secretary or City Manager post the event, which the City Secretary shall then do. The City Secretary or City Manager shall notify Councilmembers of such events.

Rule 2.3. Quorum, Majority Voting. Quorum and majority voting are governed by Section 3.05 of the Charter, which provides:

A majority of all the members of the Council shall constitute a quorum to do business, but a less number may adjourn from time to time and compel the attendance of absent members in such manner and under such penalties as may be prescribed by ordinance.

Procedural Rules for Meetings (Effective Feb. 1, 2007); Revised 9/8/09, 3/14/17, 3/28/17, 9/26/17, 9/25/18, 8/27/19

The affirmative vote of a majority of all the members of the Council shall be necessary to adopt any ordinance, resolution, or order; except that a vote to adjourn, or an action regarding the attendance of absent members, may be adopted by a majority of the members present.

SECTION THREE. AGENDA

Rule 3.1. Agenda Preparation; Councilmember Agenda Requests.

(a) The City Secretary shall prepare, post, and distribute notices of meetings and the assembled agenda packages. The City Manager is responsible for assembling the agenda package for each meeting.

(b) The preferred method for a Councilmember seeking to add an item to a future agenda is to do so at a regular meeting under future agenda items by consensus of Council or by majority vote. For purpose of these rules, “consensus” is defined as an informal understanding among the majority of Councilmembers present at the meeting.

(c) Any Councilmember, while outside of a regular meeting, wishing to have a matter heard at a City Council meeting shall make a written request, including via email, to the City Manager or City Secretary, and such request shall include the support of another Councilmember. The request shall contain a short summary statement of the proposed presentation and be submitted before 5:00 p.m. Monday, the eighth day preceding such meeting. The City Manager shall place a subject on the agenda if the subject is requested by a Councilmember in accordance with this section. Other persons may request that the City Manager place an item on the agenda pursuant to Rule 3.3.

Rule 3.2. Consent Agenda. In preparing an agenda, the City Manager may separately designate items as “Consent Agenda” which may be acted upon by the Council under Rule 6.5. The “Consent Agenda” shall consist of routine items, which in the City Manager’s determination, may be appropriately considered as a group, without separate discussion, at the Council meeting. Any item listed on the consent agenda may be removed by a member of Council or upon a request by staff or a member of the public.

Rule 3.3. Agenda Requests from Public. The preferred method for a person seeking to add an agenda item for Council consideration during a meeting is to do so at a regular meeting during the Visitors/Citizen Forum. Council may then agree to place this item on a future agenda. Alternatively, a person may make a written request for this action, including via email, to the City Manager or City Secretary. Any such request must include a “sponsorship” of the item from a Councilmember. Thus, the request should include either a statement that a named Councilmember has agreed to sponsor the item or that the requestor is seeking such sponsorship through the forwarding of his or her request to the entire Council. The request must also contain a short summary statement of the proposed presentation, the issue or question before Council, and shall be submitted before 5:00 p.m. Monday, the eighth day preceding such meeting. Despite this

Procedural Rules for Meetings (Effective Feb. 1, 2007); Revised 9/8/09, 3/14/17, 3/28/17, 9/26/17, 9/25/18, 8/27/19

timeline, however, a requestor should understand that the item may not be placed on the very next meeting agenda, but instead, due to necessary preparation and research, will be placed on another agenda in the very near future. Once the person's request has been placed on an agenda, neither that person nor anyone else may submit the item, or an item concerning a similar subject matter, for placement on an agenda for a period of one-hundred eighty (180) days unless the item was postponed to a future meeting or a Councilmember makes a written request for placement. This rule does not apply to the right to appeal or petition Council pursuant to City ordinance or other law.

Rule 3.4. Requests to Exclude Items. When a Councilmember will be absent from a meeting, the Councilmember may request that an item not be included and such request shall not be unreasonably denied.

Rule 3.5. Council Action to Defer, Continue, or Not Act. A Councilmember wishing to withdraw, defer, or continue an item may make a motion to that effect. Such a motion shall be considered before any other action on that item.

Rule 4. Conduct of Meetings

Rule 4.1. Determination of Quorum. Before proceeding with the business of the Council, the City Secretary shall make note of Members present and enter those names in the minutes. The presiding officer shall determine the presence of a quorum as required by law and these rules.

Rule 4.2. Call to Order. The presiding officer shall call the meeting to order.

Rule 4.3. Presiding Officer. The Mayor, or in the Mayor's absence or ~~inability-incapacity~~ to perform pursuant to Section 3.02 of the Charter, the Mayor Pro Tem, shall be the presiding officer at all Council meetings. The presiding officer retains all rights and privileges of a Member of Council. If both the Mayor and Mayor Pro Tem are absent or unable to perform, the most senior Councilmember present shall preside. In the event two or more Members equally possess the greatest seniority then the eldest person among them shall preside.

Commented [MH1]: Revised here to make consistent with the most recent charter change. Charter provides for selection beyond the Mayor Pro Tem if necessary. Rules provide more specifics but do not conflict with Charter.

Rule 4.4. Control of Discussion. The presiding officer shall control discussion of the Council on each agenda item to assure full participation in accordance with these rules, the City Charter and the Code of Ordinances. The presiding officer will preserve order and decorum, preventing the impugning of any member's motives or other personal comment not relevant to the orderly conduct of business. The presiding officer may request, and restate as appropriate, that all speakers keep comments brief and relevant to the question before the Council. All visitors shall refrain from abusive, rude, or inappropriate conduct. See Chapter 38 and Section 42.05 of the Texas Penal Code regarding the "hindering" or "disrupting" of official proceedings.

Rule 4.5. Order of Consideration of Agenda. Each agenda item shall be introduced by the presiding officer. To introduce an item, it shall be sufficient to identify the item by the number assigned to it on the agenda. However, as provided in Section 3.06(a) of the City Charter:

Ordinances and resolutions shall be introduced only in written form.

After a measure is introduced, the standard procedure for consideration is as follows, but may be deviated from as provided below:

- (1) Reading of the measure by the presiding officer or other person designated by the presiding officer. Reading ordinances or resolutions by caption or summary is allowed if the full text is available as prescribed by the Charter. (Note: Section 3.06(a) of the Charter requires additional steps for ordinances: “No ordinance shall be passed until it has been read and voted upon in at least two regular meetings, except an emergency measure. The final reading of each ordinance shall be in full unless a written or printed copy thereof shall have been furnished to each member of the Council prior to such reading.”)
- (2) The City Manager or designee may present a staff statement or presentation with questions and discussion from City Council.
- (3) Public Comments.
- (4) Discussion.
- (5) Motion and second.
- (6) Vote.
- (7) If a majority of Council votes against a motion, the Councilmember making the original motion may amend that motion for reconsideration. In addition, any Councilmember may make an alternate motion for consideration related to that agenda item.

In the absence of objections of the presiding officer or a majority of Council, Council may vary the standard procedure. Informal voting by voice or a show of hands shall be used at the discretion of the presiding officer, unless a Councilmember requests a roll call vote or a roll call vote is otherwise required by state law. In case of a tie, the motion fails.

Rule 4.6. Discussion; referenced document. A Councilmember should speak only after being recognized by the presiding officer. A Councilmember shall limit remarks to the issue or question before Council. A Councilmember shall not be interrupted except by the presiding officer to enforce these rules. Anyone speaking shall be recognized by the presiding officer. Where a Councilmember plans to reference or cite a document that was not included as part of the agenda packet, the Councilmember ~~should shall~~ make ~~copies a copy~~ for each Councilmember and provide the document to the entire Council as soon as possible and prior to the meeting. The Councilmember may seek the aid of the City Manager in complying with this provision.

Rule 4.7. Presiding Officer's Right to Enter into Discussion. The Mayor (or other presiding officer) as a Member of the Council may enter into any discussion.

Rule 4.8. Limit on Remarks. Each Councilmember shall limit his or her remarks to a reasonable length. Toward that end, each Councilmember is limited to five minutes of speaking time per agenda item at one time, which a Councilmember may ask the presiding officer or Council to abide by and enforce. The allotted time includes questions asked of staff and citizens, the corresponding responses, and concluding remarks.

Rule 4.9. Call for Vote. At the conclusion (or closure) of debate or discussion, the presiding officer shall call for a vote, provided however, a majority of the Council present may require a vote at any time.

SECTION FIVE. CITIZEN PARTICIPATION

Rule 5.1. Public Participation.

- (a) *Purpose/Registration.* Comments and suggestions by visitors are highly valued and encouraged during those parts of a meeting designated for public participation. Speakers shall register in advance of the reading of a measure for consideration and shall limit their presentations to four minutes each. Time limitations of this rule may be extended by the consensus of Council or pursuant to majority vote.
- (b) *Special Meetings/Informal Events.* Visitors wishing to speak at a special meeting or informal event called and controlled by Council, including a workshop, may speak only during the appropriate agenda item for such purposes, which may be placed at the beginning of the meeting. This rule does not apply where a special meeting or informal event is not called nor controlled by Council and where Council will not deliberate or take action.
- (c) *Speaker Comments.* Speakers shall direct all remarks and questions to the Council, who may refer them to the City Manager for investigation, response, or other action. The "Texas Open Meetings Act" requires the City to post a notice, in advance, listing every topic or subject to be considered by the Council. This law may prevent the Council from considering a subject raised by a member of the public. In this case, the presiding officer may refer the matter, and the Council may direct that the matter be placed on the agenda for an upcoming meeting.
- (d) *Signs, etc.* Visitors are prohibited from bringing signs, placards, or anything else that may obstruct the views or seating into City Hall, the meeting room, or any location where Council is holding its meeting.

Rule 5.2. Manner of Addressing Council. A person desiring to address the Council shall step to the lectern or other alternate arrangement and state his or her name and address for the record before proceeding with comments. All comments from the public shall be directed to the Council.

Rule 5.3. Total Time Limits. Those members of the public speaking on items both on the agenda and not on the agenda are limited to four minutes of speaking time. A person may speak only once on any agenda item. However, Applicants, or those persons having placed an item on the agenda seeking a specific answer from the Council, may be allowed up to five minutes of total speaking time. Time limitations of this rule may be extended by the consensus of Council or pursuant to majority vote.

Rule 5.4. Remarks to be Germane/Non-redundant. Public comments must be kept relevant to the subject before the Council. The presiding officer shall rule on the relevance of comments. Persons making irrelevant, personal, impertinent, overly redundant, or slanderous remarks may be barred by the presiding officer from further comment before the Council during the meeting.

Rule 5.5. Matters not on the Agenda. Visitors may speak during the Visitor/Citizens Forum item on the agenda on items not specifically listed on the agenda. Discussion of matters not on the agenda is prohibited by the Texas Open Meetings Act. Council may provide or ask the City Manager to provide specific factual information in response to the inquiry, recite existing policy, or propose placing the issue on an upcoming meeting agenda.

SECTION SIX. COUNCIL ACTION

Rule 6.1. Motion Required. All action requiring a vote shall be moved by a Member of the Council. Each motion will require a second by another Member of the Council to be considered. A motion must be voted on or withdrawn before another motion for that same agenda item can be considered. Any Member of the Council can make an amendment to a motion. With a second, the amended motion is then voted on.

Rule 6.2. Motion to Reconsider. Except in case of a tie vote, a motion to reconsider may be made but only by a Councilmember who was on the prevailing side in the original action. This type of motion may only be made at the same meeting when the subject is considered. Rule 4.5 does not apply to this process.

Rule 6.3. Recording names of Moving Members. The City Secretary shall record the name of the Councilmember making each motion and corresponding second to the motion.

Rule 6.4. Separate Consideration. Except as otherwise required by these rules, each agenda item shall be voted upon separately and each separate vote shall be recorded by the City Secretary.

Rule 6.5. Action on Consent Agenda. Except as herein provided, the "Consent Agenda" shall be considered as a group without separate discussion on each item. When the Consent Agenda is

introduced, each Councilmember has the right to remove any item, in which case the item is handled under Rule 4.5. After items are removed, the presiding officer shall ask the Members to indicate their votes on the remaining Consent Agenda items. The City Secretary shall record the votes on each item separately.

Rule 6.6. Consideration Out of Order. With the consensus of Council or pursuant to majority vote, any agenda item may be considered out of order, at the request of any Councilmember.

Rule 6.7. Council Appointments. The Council may consider and make appointments to City boards and commissions by either of the following procedures:

- By direct motion. The Councilmember shall state the name of the person and the board to which they are being appointed. The motion will require a second, and a majority vote of the Council shall be required for appointment.
- By nomination process. The mayor shall open the floor for nominations, whereupon Councilmembers may put the names of appointees forward. The names submitted shall be debated. When the debate ends, the City Secretary shall call the roll of the Councilmembers, and each member shall cast their vote from those persons nominated. The nominee receiving the highest number of votes shall be appointed. If more than one appointee is to be selected, then each member shall have as many votes as there are slots to be filled; however, a member shall not cast more than one vote for a single candidate. A majority of the members voting shall be required for appointment.

In accordance with Section 3.01 of the City Charter, all meetings of all boards, commissions and committees of the Council shall be open to the public and as provided by state law. The requirements of the Texas Open Meetings Act shall apply to all elected or appointed authorities, boards, commissions, Council, or other bodies of the City that are composed of a quorum of members of a particular body. However, the law's requirements shall not apply to a meeting solely among the City's professional staff.

Rule 6.8. Board Application Process. The City Manager shall ensure that public notice is provided to announce the opening of positions on various boards, such notice to be given at least 30 days prior to the date of the meeting that Council will consider such appointments. Where an unexpected vacancy occurs, the City Manager shall provide such notice not less than 14 days prior to the date of the meeting.

SECTION SEVEN. MISCELLANEOUS

Rule 7.1. Voting Required. Section 3.05 of the Charter requires Councilmembers to vote, as follows:

No member may be excused from voting except when such member has a conflict of interest as defined by law.

Procedural Rules for Meetings (Effective Feb. 1, 2007); Revised 9/8/09, 3/14/17, 3/28/17, 9/26/17, 9/25/18, 8/27/19

Any Council Member prohibited from voting by personal interest shall announce at the commencement of consideration of the matter and shall not enter into discussion or debate on any such matter. In that case, the member shall file with the City Secretary a written statement (electronic communications are considered acceptable) of the reason for abstaining. Any Councilmember refusing to vote – and not excused from voting – shall be considered in violation of the City Charter and will be recorded in the minutes as voting in the affirmative and may be held to further repercussions as deemed appropriate by the City Council.

Rule 7.2. Point of Order. A Councilmember may make a point of order to draw attention to a violation of these rules, such as the irrelevance or continued repetition of a speaker. Such action is not to be made because of disagreement over the subject matter of the discussion or an opinion. A point of order may be made at any point during a meeting and it may interrupt the pending discussion, takes precedence over that discussion or any other motion, and must be decided before any other discussion or action occurs. Following a point of order, the presiding officer shall immediately stop the discussion, acknowledge the point of order, and allow the Councilmember who raised it the opportunity to state the basis thereof. No debate concerning the point of order is permitted beyond a fair, reasonable clarification of the applicable rule. After hearing the basis upon which the point of order is made, the presiding officer must rule immediately subject to conferring with relevant authorities about the validity of the raised issue. The presiding officer may dispute the point of order, accept it and apply or comply with the applicable rule, or not accept the order. If a Councilmember believes that the ruling given by the presiding officer is incorrect, then a Councilmember may make the procedural motion “dissenting from the chair’s ruling.” This motion must then be seconded and put to the vote without debate. The result of the vote will determine whether the ruling is upheld or reversed.

Rule 7.3. Suspension of Rules. These rules or any part hereof may be suspended for a specific purpose or any single meeting by consensus of Council or pursuant to majority vote. This does not apply to those rules directly mentioned in the City Charter or other sections of the Code of Ordinances.

Rule 7.4. Informal Requests. A Member of the Council, before or during the consideration of any matter, or in the course of a hearing, may request and receive information, explanations, or the opinions of the City Manager or City Attorney.

Rule 7.5. Council attendance at board meetings.

A Councilmember may attend a board or commission meeting in their capacity as a Councilmember, but should not participate in the discussion or deliberation so as to avoid any undue influence or an issue of due process. A Councilmember may attend a board or commission meeting and participate in the discussion where they have a personal interest in an issue before the board or commission, such as attending a Planning and Zoning Commission meeting for property that he or she owns and that is subject to a zoning change.

Procedural Rules for Meetings (Effective Feb. 1, 2007); Revised 9/8/09, 3/14/17, 3/28/17, 9/26/17, 9/25/18, 8/27/19

Rule 7.6. Councilmember Requests of Staff. Pursuant to Section 6.05 of the City Charter, Council is generally limited to going through the City Manager with respect to a request to staff. The policy basis for this procedure includes helping to ensure the City Manager is aware of any issue raised by a Councilmember, promoting the “chain of command” management, and efficiency. Where such a request or inquiry is made to the City Manager, the City Manager will address the request or inquiry as efficiently as possible, based in part on the nature of the request and existing workload, and will communicate with the Councilmember as to the timing of a response. The Councilmember should provide as much information as possible to help ensure that the response adequately addresses the question. In most cases, the City Manager will provide the response to the entire Council. Where a request will, in the City Manager’s opinion, utilize a significant amount of staff time or other resources or divert from City policy, the City Manager may ask the Councilmember to place the issue on an agenda for Council direction.

The affirmative vote of a majority of all the members of the Council shall be necessary to adopt any ordinance, resolution, or order: except that a vote to adjourn, or an action regarding the attendance of absent members, may be adopted by a majority of the members present.

SECTION THREE. AGENDA

Rule 3.1. Agenda Preparation; Councilmember Agenda Requests.

(a) The City Secretary shall prepare, post, and distribute notices of meetings and the assembled agenda packages. The City Manager is responsible for assembling the agenda package for each meeting.

(b) The preferred method for a Councilmember seeking to add an item to a future agenda is to do so at a regular meeting under future agenda items by consensus of Council or by majority vote. For purpose of these rules, "consensus" is defined as an informal understanding among the majority of Councilmembers present at the meeting.

~~(c) Any Councilmember, while outside of a regular meeting, wishing to have a matter heard at a City Council meeting shall make a written request, including via email, to the City Manager or City Secretary, and such request shall include the support of another Councilmember. The request shall contain a short summary statement of the proposed presentation and be submitted before 5:00 p.m. Monday, the eighth day preceding such meeting. The City Manager shall place a subject on the agenda if the subject is requested by a Councilmember in accordance with this section. Other persons may request that the City Manager place an item on the agenda pursuant to Rule 3.3.~~

Rule 3.2. Consent Agenda. In preparing an agenda, the City Manager may separately designate items as "Consent Agenda" which may be acted upon by the Council under Rule 6.5. The "Consent Agenda" shall consist of routine items, which in the City Manager's determination, may be appropriately considered as a group, without separate discussion, at the Council meeting. Any item listed on the consent agenda may be removed by a member of Council or upon a request by staff or a member of the public.

Rule 3.3. Agenda Requests from Public. The preferred method for a person seeking to add an agenda item for Council consideration during a meeting is to do so at a regular meeting during the Visitors/Citizen Forum. Council may then agree to place this item on a future agenda. Alternatively, a person may make a written request for this action, including via email, to the City Manager or City Secretary. Any such request must include a "sponsorship" of the item from a Councilmember. Thus, the request should include either a statement that a named Councilmember has agreed to sponsor the item or that the requestor is seeking such sponsorship through the forwarding of his or her request to the entire Council. The request must also contain a short summary statement of the proposed presentation, the issue or question before Council, and shall be submitted before 5:00 p.m. Monday, the eighth day preceding such meeting. Proposed amendments:

#1. Pg 5, Rule 4.6: 3rd line from bottom of par: Remove 'should' and replace with 'must'; Councilmember **MUST** make copies

#2. Pg 7, Rule 5.5: Clarification: Can asking for the item/issue to be placed on future agenda be done at this time or does it need to wait until the end of the meeting under the Agenda Item for that??? Think we need to clarify in writing which (or if either or both) is appropriate.

#3. Pg 8, Rule 7.1: Define/list the conflicts of interest. Not defined in the charter either (or I have missed it)

#4. New: Rule 7.7 (?) or incorporate with another rule

Something similar to the following:

Personal written council requests to staff must be made taking into consideration and respect of staff time both in amount needed for research and in relationship as to when the request was made and when an answer is wanted/needed. Unless an emergency, a request made at noon on Friday for a 5 pm deadline is not acceptable.

#5. New: I-Pads and Phones

Something similar to the following:

Personal I-Pads and phones are not to be in sight and are not allowed to be used during workshops, council meetings and executive sessions. The only device allowed in said meetings is the city supplied I-Pad.

I think that's it! Thanks, Judy

**PROPOSED AMENDMENTS TO THE
CITY COUNCIL PROCEDURAL RULES FOR MEETINGS**

At the regular meeting on September 28, 2021, the City Council considered revisions to its Procedural Rules. The Council decided to defer the item to a future meeting and require any proposed revisions to be submitted to the Council in writing. I am submitting this packet with my proposed amendments to be included in the agenda packet for the November 9, 2021, regular meeting for consideration. This packet contains two documents in addition to this cover letter. The document watermarked as "PROPOSED" indicates my proposed amendments and comments for each. The document watermarked as "ENACTED" indicates an example of what the Procedural Rules would look like if each proposed amendment is adopted.

I look forward to discussing with Council these amendments and any others that may be proposed.

Respectfully Submitted,

Roman M. Garcia
Councilman, Place 1

PROCEDURAL RULES FOR MEETINGS KERRVILLE CITY COUNCIL

SECTION ONE. GENERAL PROVISIONS

Rule 1.1 Scope of Rules; Intent. These rules govern the conduct of the Council at or in relation to its meetings and shall be interpreted to ensure fair and open deliberations and decision-making. The rules are intended to promote and maintain courtesy, civility, and collegiality during meetings. Acting as a governing body, Council is the ultimate authority in the application, interpretation, and enforcement of these rules.

Rule 1.2 Technical Parliamentary Forms Abolished. Except as specifically required by these rules, Council shall not use any formal points of parliamentary order, personal privilege, parliamentary inquiry, or other technical forms.

Rule 1.3. Rulings; Matters Not Covered. Rulings on procedure are governed by the presiding officer or by a majority of Council, which would prevail. Section 3.02 of the City Charter provides the following basis for this:

The Mayor shall preside at meetings of the Council and shall exercise such other powers and perform such other duties as are or may be conferred and imposed upon him or her by this Charter and the ordinances of the City.

Any matter or order or procedure not covered by these rules may be deferred to the presiding officer or legal counsel, as appropriate.

Rule 1.4 Interpretation. These rules are intended to supplement and shall be interpreted to conform to Texas law and the City's Charter and its ordinances. In general, these rules shall be interpreted to allow the majority to prevail but preserve the right of the minority to be heard.

Rule 1.5. Authority to Change and Adopt Rules of Procedure. Adoption and/or modification of rules governing City Council meetings is addressed in Section 3.04 of the Charter, which provides the following with respect to rules of procedure:

...The Council shall determine its own rules and order of business and keep a journal of its proceedings. It shall have power to compel the attendance of absent members, may punish its members for disorderly behavior; and by vote of not less than a majority of all its members, expel from a meeting a member for disorderly conduct for the violation of its rules; but no member shall be expelled from a meeting unless notified of the charge against him and given an opportunity to be heard in his own defense.

Explanation: this rule does not pertain to "Section Two. Time and Place of Meeting"

This rule pertains to the conduct of a meeting and should be under "Section Four. Conduct of Meetings"

SECTION TWO. TIME AND PLACE OF MEETING

Rule 2.1. Regular Meetings. Scheduling regular meetings is governed by Section 3.01 of the Charter and Section 2-31 of Article II of the Code of Ordinances. Section 2-31 of Article II of the Code of Ordinances provides:

City Council will hold its regular meetings on the second and fourth Tuesdays of each month, beginning at 6:00 p.m. The Council may, by majority vote at a regular meeting, change the days or times of meetings as circumstances may necessitate.

Rule 2.2. Special Meetings/Informal Events.

- (a) *Special Meeting.* A "special meeting" of Council is defined as a meeting where at a minimum, City business will be deliberated. A Council workshop or a meeting other than a regular meeting specified by 2.1, above, are examples. Section 3.01 of the Charter provides:

Special meetings shall be called by the City Secretary upon request of the Mayor, the City Manager, or a majority of the members of the Council.

The preferred method for a Councilmember seeking to call a special meeting is to do so at a regular meeting through the making of a motion under future agenda items. A Councilmember may, however, contact the City Secretary or City Manager in writing, which may include email, and request a meeting by also providing the purpose of the meeting and timing of such. The City Manager shall then seek to schedule the meeting with the Council if a majority of its members agree to do so. The City Secretary or City Manager shall notify Councilmembers of all special meetings.

- (b) *Informal event.* It is important that when more than two Councilmembers are invited or may attend any event or gathering where City business may be discussed, the event should be posted as a precautionary measure. Such "informal events" may include a town hall discussion, informational gathering, or a community event at which one or more Councilmembers may present information concerning public business or policy. Where a Councilmember believes that such an event may occur, the Councilmember may request that the City Secretary or City Manager post the event, which the City Secretary shall then do. The City Secretary or City Manager shall notify Councilmembers of such events.

2 Rule 2.3. Quorum, Majority Voting. Quorum and majority voting are governed by Section 3.05 of the Charter, which provides:

~~*A majority of all the members of the Council shall constitute a quorum to do business, but a less number may adjourn from time to time and compel the attendance of absent members in such manner and under such penalties as may be prescribed by ordinance.*~~

~~The affirmative vote of a majority of all the members of the Council shall be necessary to adopt any ordinance, resolution, or order, except that a vote to adjourn, or an action regarding the attendance of absent members, may be adopted by a majority of the members present.~~

SECTION THREE. AGENDA

Rule 3.1. Agenda Preparation; Councilmember Agenda Requests.

- (a) The City Secretary shall prepare, post, and distribute notices of meetings and the assembled agenda packages. The City Manager is responsible for assembling the agenda package for each meeting.
- (b) The preferred method for a Councilmember seeking to add an item to a future agenda is to do so at a regular meeting under future agenda items by consensus of Council or by majority vote. For purpose of these rules, “consensus” is defined as an informal understanding among the majority of Councilmembers present at the meeting.
- (c) Any Councilmember, while outside of a regular meeting, wishing to have a matter heard at a City Council meeting shall make a written request, including via email, to the City Manager or City Secretary, and such request shall include the support of another Councilmember. The request shall contain a short summary statement of the proposed presentation and be submitted before 5:00 p.m. Monday, the eighth day preceding such meeting. The City Manager shall place a subject on the agenda if the subject is requested by a Councilmember in accordance with this section. Other persons may request that the City Manager place an item on the agenda pursuant to Rule 3.3.

Rule 3.2. Consent Agenda. In preparing an agenda, the City Manager may separately designate items as “Consent Agenda” which may be acted upon by the Council under Rule 6.5. The “Consent Agenda” shall consist of routine items, which in the City Manager’s determination, may be appropriately considered as a group, without separate discussion, at the Council meeting. Any item listed on the consent agenda may be removed by a member of Council or upon a request by staff or a member of the public.

Rule 3.3. Agenda Requests from Public. The preferred method for a person seeking to add an agenda item for Council consideration during a meeting is to do so at a regular meeting during the Visitors/Citizen Forum. Council may then agree to place this item on a future agenda. Alternatively, a person may make a written request for this action, including via email, to the City Manager or City Secretary. Any such request must include a “sponsorship” of the item from a Councilmember. Thus, the request should include either a statement that a named Councilmember has agreed to sponsor the item or that the requestor is seeking such sponsorship through the forwarding of his or her request to the entire Council. The request must also contain a short summary statement of the proposed presentation, the issue or question before Council, and shall be submitted before 5:00 p.m. Monday, the eighth day preceding such meeting. timeline, however, a requestor should understand that the item may not be placed on the very next meeting agenda, but instead, due to necessary preparation and research, will be placed on another agenda in the very near future. Once the person's request has been placed on an agenda, neither that person nor anyone else may submit the item, or an item concerning a similar subject matter, for placement on an agenda for a period of one-hundred eighty (180) days unless the item was postponed to a future meeting or a Councilmember makes a written request for placement. This rule does not apply to the right to appeal or petition Council pursuant to City ordinance or other law.

Rule 3.4. Requests to Exclude Items. When a Councilmember will be absent from a meeting, the Councilmember may request that an item not be included and such request shall not be unreasonably denied.

Rule 3.5. Council Action to Defer, Continue, or Not Act. A Councilmember wishing to withdraw, defer, or continue an item may make a motion to that effect. Such a motion shall be considered before any other action on that item.

3 Rule 4. Conduct of Meetings **SECTION FOUR. CONDUCT OF MEETINGS**

Rule 4.1. Determination of Quorum. Before proceeding with the business of the Council, the City Secretary shall make note of Members present and enter those names in the minutes. The presiding officer shall determine the presence of a quorum as required by law and these rules.

4 Quorum is governed by Section 3.05 of the Charter, which provides:

5 *Except as otherwise allowed by state law, a majority of all the members of the Council shall constitute a quorum to do business, but a less number may adjourn from time to time and compel the attendance of absent members in such manner and under such penalties as may be prescribed by ordinance. The affirmative vote of a majority of all the members of the Council shall be necessary to adopt any ordinance, resolution, or order; except that a vote to adjourn, or an action regarding the attendance of absent members, may be adopted by a majority of the members present.*

Rule 4.2. Call to Order. The presiding officer shall call the meeting to order.

6 **Rule 4.3. Presiding Officer.** The Mayor, or in the Mayor's absence or inability to perform, the Mayor Pro Tem, shall be the presiding officer at all Council meetings. The presiding officer retains all rights and privileges of a Member of Council. If both the Mayor and Mayor Pro Tem are absent or unable to perform, the most senior Councilmember present shall preside. In the event two or more Members equally possess the greatest seniority then the eldest person among them shall preside Section 3.02 of the Charter provides the following:

If the Mayor Pro Tem is also absent or disabled, then the Council shall elect a Presiding Officer to act in the place of the Mayor Pro Tem.

Rule 4.4. Control of Discussion. The presiding officer shall control discussion of the Council on each agenda item to assure full participation in accordance with these rules, the City Charter and

the Code of Ordinances. The presiding officer will preserve order and decorum, preventing the impugning of any member's motives or other personal comment not relevant to the orderly conduct of business. The presiding officer may request, and restate as appropriate, that all speakers keep comments brief and relevant to the question before the Council. All visitors shall refrain from abusive, rude, or inappropriate conduct. *See* Chapter 38 and Section 42.05 of the Texas Penal Code regarding the "hindering" or "disrupting" of official proceedings.

Rule 4.5. Order of Consideration of Agenda. Each agenda item shall be introduced by the presiding officer. To introduce an item, it shall be sufficient to identify the item by the number assigned to it on the agenda. However, as provided in Section 3.06(a) of the City Charter:

Ordinances and resolutions shall be introduced only in written form.

After a measure is introduced, the standard procedure for consideration is as follows, but may be deviated from as provided below:

- (1) Reading of the measure by the presiding officer or other person designated by the presiding officer. Reading ordinances or resolutions by caption or summary is allowed if the full text is available as prescribed by the Charter. (Note: Section 3.06(a) of the Charter requires additional steps for ordinances: “No ordinance shall be passed until it has been read and voted upon in at least two regular meetings, except an emergency measure. The final reading of each ordinance shall be in full unless a written or printed copy thereof shall have been furnished to each member of the Council prior to such reading.”)
- (2) The City Manager or designee may present a staff statement or presentation with questions and discussion from City Council.
- (3) Public Comments.
- (4) Discussion.
- (5) Motion and second.
- (6) Vote.
- (7) If a majority of Council votes against a motion, the Councilmember making the original motion may amend that motion for reconsideration. In addition, any Councilmember may make an alternate motion for consideration related to that agenda item.

In the absence of objections of the presiding officer or a majority of Council, Council may vary the standard procedure. Informal voting by voice or a show of hands shall be used at the discretion of the presiding officer, unless a Councilmember requests a roll call vote or a roll call vote is otherwise required by state law. In case of a tie, the motion fails.

Rule 4.6. Discussion; referenced document. A Councilmember should speak only after being recognized by the presiding officer. A Councilmember shall limit remarks to the issue or question before Council. A Councilmember shall not be interrupted except by the presiding officer to enforce these rules. Anyone speaking shall be recognized by the presiding officer. Where a Councilmember plans to reference or cite a document that was not included as part of the agenda packet, the Councilmember should make copies for each Councilmember and provide the document to the entire Council as soon as possible and prior to the meeting. The Councilmember may seek the aid of the City Manager in complying with this provision.

Rule 4.7. Presiding Officer's Right to Enter into Discussion. The Mayor (or other presiding officer) as a Member of the Council may enter into any discussion.

Rule 4.8. Limit on Remarks. Each Councilmember shall limit his or her remarks to a reasonable length. Toward that end, each Councilmember is limited to five minutes of speaking time per agenda item at one time, which a Councilmember may ask the presiding officer or Council to abide by and enforce. The allotted time includes questions asked of staff and citizens, the corresponding responses, and concluding remarks.

Rule 4.9. Call for Vote. At the conclusion (or closure) of debate or discussion, the presiding officer shall call for a vote, provided however, a majority of the Council present may require a vote at any time. Voting is governed by Section 3.05 of the Charter, which provides:

The affirmative vote of a majority of all the members of the Council shall be necessary to adopt any ordinance, resolution, or order; except that a vote to adjourn, or an action regarding the attendance of absent members, may be adopted by a majority of the members present.

8 SECTION FIVE. CITIZEN PUBLIC PARTICIPATION

Rule 5.1. Public Participation.

9 (a) Rule 5.1. Purpose/Registration. Comments and suggestions by visitors are highly valued
and encouraged during those parts of a meeting designated for public participation. Speakers
10 shall register in advance of the reading of a measure for consideration and shall limit their
presentations to four minutes each submit a speaker request form to the City Secretary or other
11 appropriate staff member before or during the item they wish to address is being considered by
Council. Time limitations of this rule may be extended by the consensus of Council or pursuant
to majority vote.

12 (b) Rule 5.2. Special Meetings/Informal Events. Visitors wishing to speak at a special meeting
or informal event called and controlled by Council, including a workshop, may speak only
during the appropriate agenda item for such purposes, which may be placed at the beginning of
the meeting. This rule does not apply where a special meeting or informal event is not called nor
controlled by Council and where Council will not deliberate or take action.

13 14 (c) Rule 5.3. Speaker Comments Manner of Addressing Council. A person desiring to address
the Council shall step to the lectern or other alternate arrangement and state his or her name and
address [insert option] for the record before proceeding with comments. Speakers shall direct all
15 remarks and questions to the Council, who may refer them to the City Manager for investigation,
response, or other action. The "Texas Open Meetings Act" requires the City to post a notice, in
advance, listing every topic or subject to be considered by the Council. This law may prevent the
Council from considering a subject raised by a member of the public. In this case, the presiding
officer may refer the matter, and the Council may direct that the matter be placed on the agenda
for an upcoming meeting.

Time limitations of this rule may be extended by the consensus of Council or pursuant to majority vote.

19

Rule 5.45. Remarks to be Germane/Non-redundant. Public comments must be kept relevant to the subject before the Council. The presiding officer shall rule on the relevance of comments. Persons making irrelevant, personal, impertinent, overly redundant, or slanderous remarks may be barred by the presiding officer from further comment before the Council during the meeting.

20

Rule 5.56. Matters not on the Agenda. Visitors may speak during the Visitor/Citizens Forum item on the agenda on items not specifically listed on the agenda. Discussion of matters not on the agenda is prohibited by the Texas Open Meetings Act. Council may provide or ask the City Manager to provide specific factual information in response to the inquiry, recite existing policy, or propose placing the issue on an upcoming meeting agenda.

21

Rule 5.7. Signs, etc. Visitors are prohibited from bringing signs, placards, or anything else that may obstruct the views or seating into City Hall, the meeting room, or any location where Council is holding its meeting.

SECTION SIX. COUNCIL ACTION

Rule 6.1. Motion Required. All action requiring a vote shall be moved by a Member of the Council. Each motion will require a second by another Member of the Council to be considered. A motion must be voted on or withdrawn before another motion for that same agenda item can be considered. Any Member of the Council can make an amendment to a motion. With a second, the amended motion is then voted on.

Rule 6.2. Motion to Reconsider. Except in case of a tie vote, a motion to reconsider may be made but only by a Councilmember who was on the prevailing side in the original action. This type of motion may only be made at the same meeting when the subject is considered. Rule 4.5 does not apply to this process.

Rule 6.3. Recording names of Moving Members. The City Secretary shall record the name of the Councilmember making each motion and corresponding second to the motion.

Rule 6.4. Separate Consideration. Except as otherwise required by these rules, each agenda item shall be voted upon separately and each separate vote shall be recorded by the City Secretary.

Rule 6.5. Action on Consent Agenda. Except as herein provided, the "Consent Agenda" shall be considered as a group without separate discussion on each item. When the Consent Agenda is introduced, each Councilmember has the right to remove any item, in which case the item is handled under Rule 4.5. After items are removed, the presiding officer shall ask the Members to indicate their votes on the remaining Consent Agenda items. The City Secretary shall record the votes on each item separately.

Rule 6.6. Consideration Out of Order. With the consensus of Council or pursuant to majority vote, any agenda item may be considered out of order, at the request of any Councilmember.

Rule 6.7. Council Appointments. The Council may consider and make appointments to City boards and commissions by either of the following procedures:

By direct motion. The Councilmember shall state the name of the person and the board to which they are being appointed. The motion will require a second, and a majority vote of the Council shall be required for appointment.

By nomination process. The mayor shall open the floor for nominations, whereupon Councilmembers may put the names of appointees forward. The names submitted shall be debated. When the debate ends, the City Secretary shall call the roll of the Councilmembers, and each member shall cast their vote from those persons nominated. The nominee receiving the highest number of votes shall be appointed. If more than one appointee is to be selected, then each member shall have as many votes as there are slots to be filled; however, a member shall not cast more than one vote for a single candidate. A majority of the members voting shall be required for appointment.

In accordance with Section 3.01 of the City Charter, all meetings of all boards, commissions and committees of the Council shall be open to the public and as provided by state law. The requirements of the Texas Open Meetings Act shall apply to all elected or appointed authorities, boards, commissions, Council, or other bodies of the City that are composed of a quorum of members of a particular body. However, the law's requirements shall not apply to a meeting solely among the City's professional staff.

Rule 6.8. Board Application Process. The City Manager shall ensure that public notice is provided to announce the opening of positions on various boards, such notice to be given at least 30 days prior to the date of the meeting that Council will consider such appointments. Where an unexpected vacancy occurs, the City Manager shall provide such notice not less than 14 days prior to the date of the meeting.

SECTION SEVEN. MISCELLANEOUS

Rule 7.1. Voting Required. Section 3.05 of the Charter requires Councilmembers to vote, as follows:

No member may be excused from voting except when such member has a conflict of interest as defined by law.

Any Council Member prohibited from voting by personal interest shall announce at the commencement of consideration of the matter and shall not enter into discussion or debate on any such matter. In that case, the member shall file with the City Secretary a written statement (electronic communications are considered acceptable) of the reason for abstaining. Any Councilmember refusing to vote – and not excused from voting – shall be considered in violation of the City Charter and will be recorded in the minutes as voting in the affirmative and may be held to further repercussions as deemed appropriate by the City Council.

Rule 7.2. Point of Order. A Councilmember may make a point of order to draw attention to a violation of these rules, such as the irrelevance or continued repetition of a speaker. Such action is not to be made because of disagreement over the subject matter of the discussion or an opinion. A point of order may be made at any point during a meeting and it may interrupt the pending discussion, takes precedence over that discussion or any other motion, and must be decided before any other discussion or action occurs. Following a point of order, the presiding officer shall immediately stop the discussion, acknowledge the point of order, and allow the Councilmember who raised it the opportunity to state the basis thereof. No debate concerning the point of order is permitted beyond a fair, reasonable clarification of the applicable rule. After hearing the basis upon which the point of order is made, the presiding officer must rule immediately subject to conferring with relevant authorities about the validity of the raised issue. The presiding officer may dispute the point of order, accept it and apply or comply with the applicable rule, or not accept the order. If a Councilmember believes that the ruling given by the presiding officer is incorrect, then a Councilmember may make the procedural motion “dissenting from the chair’s ruling.” This motion must then be seconded and put to the vote without debate. The result of the vote will determine whether the ruling is upheld or reversed.

Rule 7.3. Suspension of Rules. These rules or any part hereof may be suspended for a specific purpose or any single meeting by consensus of Council or pursuant to majority vote. This does not apply to those rules directly mentioned in the City Charter or other sections of the Code of Ordinances.

Rule 7.4. Informal Requests. A Member of the Council, before or during the consideration of any matter, or in the course of a hearing, may request and receive information, explanations, or the opinions of the City Manager or City Attorney.

Rule 7.5. Council attendance at board meetings.

A Councilmember may attend a board or commission meeting in their capacity as a Councilmember, but should not participate in the discussion or deliberation so as to avoid any undue influence or an issue of due process. A Councilmember may attend a board or commission

meeting and participate in the discussion where they have a personal interest in an issue before the board or commission, such as attending a Planning and Zoning Commission meeting for property that he or she owns and that is subject to a zoning change.

Rule 7.6. Councilmember Requests of Staff. Pursuant to Section 6.05 of the City Charter, Council is generally limited to going through the City Manager with respect to a request to staff. The policy basis for this procedure includes helping to ensure the City Manager is aware of any issue raised by a Councilmember, promoting the “chain of command” management, and efficiency. Where such a request or inquiry is made to the City Manager, the City Manager will address the request or inquiry as efficiently as possible, based in part on the nature of the request and existing workload, and will communicate with the Councilmember as to the timing of a response. The Councilmember should provide as much information as possible to help ensure that the response adequately addresses the question. In most cases, the City Manager will provide the response to the entire Council. Where a request will, in the City Manager’s opinion, utilize a significant amount of staff time or other resources or divert from City policy, the City Manager may ask the Councilmember to place the issue on an agenda for Council direction.

PROCEDURAL RULES FOR MEETINGS

KERRVILLE CITY COUNCIL

SECTION ONE. GENERAL PROVISIONS

Rule 1.1 Scope of Rules; Intent. These rules govern the conduct of the Council at or in relation to its meetings and shall be interpreted to ensure fair and open deliberations and decision-making. The rules are intended to promote and maintain courtesy, civility, and collegiality during meetings. Acting as a governing body, Council is the ultimate authority in the application, interpretation, and enforcement of these rules.

Rule 1.2 Technical Parliamentary Forms Abolished. Except as specifically required by these rules, Council shall not use any formal points of parliamentary order, personal privilege, parliamentary inquiry, or other technical forms.

Rule 1.3. Rulings; Matters Not Covered. Rulings on procedure are governed by the presiding officer or by a majority of Council, which would prevail. Section 3.02 of the City Charter provides the following basis for this:

The Mayor shall preside at meetings of the Council and shall exercise such other powers and perform such other duties as are or may be conferred and imposed upon him [or her](#) by this Charter and the ordinances of the City.

Any matter or order or procedure not covered by these rules may be deferred to the presiding officer or legal counsel, as appropriate.

Rule 1.4 Interpretation. These rules are intended to supplement and shall be interpreted to conform to Texas law and the City's Charter and its ordinances. In general, these rules shall be interpreted to allow the majority to prevail but preserve the right of the minority to be heard.

Rule 1.5. Authority to Change and Adopt Rules of Procedure. Adoption and/or modification of rules governing City Council meetings is addressed in Section 3.04 of the Charter, which provides the following with respect to rules of procedure:

...The Council shall determine its own rules and order of business and keep a journal of its proceedings. It shall have power to compel the attendance of absent members, may punish its members for disorderly behavior, and by vote of not less than a majority of all its members, expel from a meeting a member for disorderly conduct for the violation of its rules; but no member shall be expelled from a meeting unless notified of the charge against him and given an opportunity to be heard in his own defense.

SECTION TWO. TIME AND PLACE OF MEETING

Rule 2.1. Regular Meetings. Scheduling regular meetings is governed by Section 3.01 of the Charter and Section 2-31 of Article II of the Code of Ordinances. Section 2-31 of Article II of the Code of Ordinances provides:

City Council will hold its regular meetings on the second and fourth Tuesdays of each month, beginning at 6:00 p.m. The Council may, by majority vote at a regular meeting, change the days or times of meetings as circumstances may necessitate.

Rule 2.2. Special Meetings/Informal Events.

- (a) *Special Meeting.* A “special meeting” of Council is defined as a meeting where at a minimum, City business will be deliberated. A Council workshop or a meeting other than a regular meeting specified by 2.1, above, are examples. Section 3.01 of the Charter provides:

Special meetings shall be called by the City Secretary upon request of the Mayor, the City Manager, or a majority of the members of the Council.

The preferred method for a Councilmember seeking to call a special meeting is to do so at a regular meeting through the making of a motion under future agenda items. A Councilmember may, however, contact the City Secretary or City Manager in writing, which may include email, and request a meeting by also providing the purpose of the meeting and timing of such. The City Manager shall then seek to schedule the meeting with the Council if a majority of its members agree to do so. The City Secretary or City Manager shall notify Councilmembers of all special meetings.

- (b) *Informal event.* It is important that when more than two Councilmembers are invited or may attend any event or gathering where City business may be discussed, the event should be posted as a precautionary measure. Such “informal events” may include a town hall discussion, informational gathering, or a community event at which one or more Councilmembers may present information concerning public business or policy. Where a Councilmember believes that such an event may occur, the Councilmember may request that the City Secretary or City Manager post the event, which the City Secretary shall then do. The City Secretary or City Manager shall notify Councilmembers of such events.

SECTION THREE. AGENDA

Rule 3.1. Agenda Preparation; Councilmember Agenda Requests.

- (a) The City Secretary shall prepare, post, and distribute notices of meetings and the assembled agenda packages. The City Manager is responsible for assembling the agenda package for each meeting.
- (b) The preferred method for a Councilmember seeking to add an item to a future agenda is to do so at a regular meeting under future agenda items by consensus of Council or by majority

vote. For purpose of these rules, “consensus” is defined as an informal understanding among the majority of Councilmembers present at the meeting.

- (c) Any Councilmember, while outside of a regular meeting, wishing to have a matter heard at a City Council meeting shall make a written request, including via email, to the City Manager or City Secretary, and such request shall include the support of another Councilmember. The request shall contain a short summary statement of the proposed presentation and be submitted before 5:00 p.m. Monday, the eighth day preceding such meeting. The City Manager shall place a subject on the agenda if the subject is requested by a Councilmember in accordance with this section. Other persons may request that the City Manager place an item on the agenda pursuant to Rule 3.3.

Rule 3.2. Consent Agenda. In preparing an agenda, the City Manager may separately designate items as “Consent Agenda” which may be acted upon by the Council under Rule 6.5. The “Consent Agenda” shall consist of routine items, which in the City Manager’s determination, may be appropriately considered as a group, without separate discussion, at the Council meeting. Any item listed on the consent agenda may be removed by a member of Council or upon a request by staff or a member of the public.

Rule 3.3. Agenda Requests from Public. The preferred method for a person seeking to add an agenda item for Council consideration during a meeting is to do so at a regular meeting during the Visitors/Citizen Forum. Council may then agree to place this item on a future agenda. Alternatively, a person may make a written request for this action, including via email, to the City Manager or City Secretary. Any such request must include a “sponsorship” of the item from a Councilmember. Thus, the request should include either a statement that a named Councilmember has agreed to sponsor the item or that the requestor is seeking such sponsorship through the forwarding of his or her request to the entire Council. The request must also contain a short summary statement of the proposed presentation, the issue or question before Council, and shall be submitted before 5:00 p.m. Monday, the eighth day preceding such meeting. Despite this

timeline, however, a requestor should understand that the item may not be placed on the very next meeting agenda, but instead, due to necessary preparation and research, will be placed on another agenda in the very near future. Once the person's request has been placed on an agenda, neither that person nor anyone else may submit the item, or an item concerning a similar subject matter, for placement on an agenda for a period of one-hundred eighty (180) days unless the item was postponed to a future meeting or a Councilmember makes a written request for placement. This rule does not apply to the right to appeal or petition Council pursuant to City ordinance or other law.

Rule 3.4. Requests to Exclude Items. When a Councilmember will be absent from a meeting, the Councilmember may request that an item not be included and such request shall not be unreasonably denied.

Rule 3.5. Council Action to Defer, Continue, or Not Act. A Councilmember wishing to withdraw, defer, or continue an item may make a motion to that effect. Such a motion shall be considered before any other action on that item.

SECTION FOUR. CONDUCT OF MEETINGS

Rule 4.1. Determination of Quorum. Before proceeding with the business of the Council, the City Secretary shall make note of Members present and enter those names in the minutes. The presiding officer shall determine the presence of a quorum as required by law and these rules. Quorum is governed by Section 3.05 of the Charter, which provides:

Except as otherwise allowed by state law, a majority of all the members of the Council shall constitute a quorum to do business, but a less number may adjourn from time to time and compel the attendance of absent members in such manner and under such penalties as may be prescribed by ordinance. The affirmative vote of a majority of all the members of the Council shall be necessary to adopt any ordinance, resolution, or order; except that a vote to adjourn, or an action regarding the attendance of absent members, may be adopted by a majority of the members present.

Rule 4.2. Call to Order. The presiding officer shall call the meeting to order.

Rule 4.3. Presiding Officer. The Mayor, or in the Mayor's absence or inability to perform, the Mayor Pro Tem, shall be the presiding officer at all Council meetings. The presiding officer retains all rights and privileges of a Member of Council. If both the Mayor and Mayor Pro Tem are absent or unable to perform, Section 3.02 of the Charter provides the following:

If the Mayor Pro Tem is also absent or disabled, then the Council shall elect a Presiding Officer to act in the place of the Mayor Pro Tem.

Rule 4.4. Control of Discussion. The presiding officer shall control discussion of the Council on each agenda item to assure full participation in accordance with these rules, the City Charter and the Code of Ordinances. The presiding officer will preserve order and decorum, preventing the impugning of any member's motives or other personal comment not relevant to the orderly

conduct of business. The presiding officer may request, and restate as appropriate, that all speakers keep comments brief and relevant to the question before the Council. All visitors shall refrain from abusive, rude, or inappropriate conduct. *See* Chapter 38 and Section 42.05 of the Texas Penal Code regarding the “hindering” or “disrupting” of official proceedings.

ENACTED

Rule 4.5. Order of Consideration of Agenda. Each agenda item shall be introduced by the presiding officer. To introduce an item, it shall be sufficient to identify the item by the number assigned to it on the agenda. However, as provided in Section 3.06(a) of the City Charter:

Ordinances and resolutions shall be introduced only in written form.

After a measure is introduced, the standard procedure for consideration is as follows, but may be deviated from as provided below:

- (1) Reading of the measure by the presiding officer or other person designated by the presiding officer. Reading ordinances or resolutions by caption or summary is allowed if the full text is available as prescribed by the Charter. (Note: Section 3.06(a) of the Charter requires additional steps for ordinances: “No ordinance shall be passed until it has been read and voted upon in at least two regular meetings, except an emergency measure. The final reading of each ordinance shall be in full unless a written or printed copy thereof shall have been furnished to each member of the Council prior to such reading.”)
- (2) The City Manager or designee may present a staff statement or presentation with questions and discussion from City Council.
- (3) Public Comments.
- (4) Discussion.
- (5) Motion and second.
- (6) Vote.
- (7) If a majority of Council votes against a motion, the Councilmember making the original motion may amend that motion for reconsideration. In addition, any Councilmember may make an alternate motion for consideration related to that agenda item.

In the absence of objections of the presiding officer or a majority of Council, Council may vary the standard procedure. Informal voting by voice or a show of hands shall be used at the discretion of the presiding officer, unless a Councilmember requests a roll call vote or a roll call vote is otherwise required by state law. In case of a tie, the motion fails.

Rule 4.6. Discussion; referenced document. A Councilmember should speak only after being recognized by the presiding officer. A Councilmember shall limit remarks to the issue or question before Council. A Councilmember shall not be interrupted except by the presiding officer to enforce these rules. Anyone speaking shall be recognized by the presiding officer. Where a Councilmember plans to reference or cite a document that was not included as part of the agenda packet, the Councilmember should make copies for each Councilmember and provide the document to the entire Council as soon as possible and prior to the meeting. The Councilmember may seek the aid of the City Manager in complying with this provision.

Rule 4.7. Presiding Officer's Right to Enter into Discussion. The Mayor (or other presiding officer) as a Member of the Council may enter into any discussion.

Rule 4.8. Limit on Remarks. Each Councilmember shall limit his or her remarks to a reasonable length. Toward that end, each Councilmember is limited to five minutes of speaking time per agenda item at one time, which a Councilmember may ask the presiding officer or Council to abide by and enforce. The allotted time includes questions asked of staff and citizens, the corresponding responses, and concluding remarks.

Rule 4.9. Call for Vote. At the conclusion (or closure) of debate or discussion, the presiding officer shall call for a vote, provided however, a majority of the Council present may require a vote at any time. Voting is governed by Section 3.05 of the Charter, which provides:

The affirmative vote of a majority of all the members of the Council shall be necessary to adopt any ordinance, resolution, or order; except that a vote to adjourn, or an action regarding the attendance of absent members, may be adopted by a majority of the members present.

SECTION FIVE. PUBLIC PARTICIPATION

Rule 5.1. Purpose/Registration. Comments and suggestions by visitors are highly valued and encouraged during those parts of a meeting designated for public participation. Speakers shall submit a speaker request form to the City Secretary or other appropriate staff member before or during the item they wish to address is being considered by Council.

Rule 5.2. Special Meetings/Informal Events. Visitors wishing to speak at a special meeting or informal event called and controlled by Council, including a workshop, may speak only during the appropriate agenda item for such purposes, which may be placed at the beginning of the meeting. This rule does not apply where a special meeting or informal event is not called nor controlled by Council and where Council will not deliberate or take action.

Rule 5.3. Manner of Addressing Council. A person desiring to address the Council shall step to the lectern or other alternate arrangement and state his or her name and [insert option] for the record before proceeding with comments. Speakers shall direct all remarks and questions to the Council, who may refer them to the City Manager for investigation, response, or other action.

Rule 5.4. Total Time Limits. Those members of the public speaking on items both on the agenda and not on the agenda are limited to four minutes of speaking time. A person may speak only once on any agenda item. However, Applicants, or those persons having placed an item on the agenda seeking a specific answer from the Council, may be allowed up to five minutes of total speaking time. Time limitations of this rule may be extended by the consensus of Council or pursuant to majority vote.

Rule 5.5. Remarks to be Germane/Non-redundant. Public comments must be kept relevant to the subject before the Council. The presiding officer shall rule on the relevance of comments.

Persons making irrelevant, personal, impertinent, overly redundant, or slanderous remarks may be barred by the presiding officer from further comment before the Council during the meeting.

Rule 5.6. Matters not on the Agenda. Visitors may speak during the Visitor/Citizens Forum item on the agenda on items not specifically listed on the agenda. Discussion of matters not on the agenda is prohibited by the Texas Open Meetings Act. Council may provide or ask the City Manager to provide specific factual information in response to the inquiry, recite existing policy, or propose placing the issue on an upcoming meeting agenda.

Rule 5.7. Signs, etc. Visitors are prohibited from bringing signs, placards, or anything else that may obstruct the views or seating into City Hall, the meeting room, or any location where Council is holding its meeting.

SECTION SIX. COUNCIL ACTION

Rule 6.1. Motion Required. All action requiring a vote shall be moved by a Member of the Council. Each motion will require a second by another Member of the Council to be considered. A motion must be voted on or withdrawn before another motion for that same agenda item can be considered. Any Member of the Council can make an amendment to a motion. With a second, the amended motion is then voted on.

Rule 6.2. Motion to Reconsider. Except in case of a tie vote, a motion to reconsider may be made but only by a Councilmember who was on the prevailing side in the original action. This type of motion may only be made at the same meeting when the subject is considered. Rule 4.5 does not apply to this process.

Rule 6.3. Recording names of Moving Members. The City Secretary shall record the name of the Councilmember making each motion and corresponding second to the motion.

Rule 6.4. Separate Consideration. Except as otherwise required by these rules, each agenda item shall be voted upon separately and each separate vote shall be recorded by the City Secretary.

Rule 6.5. Action on Consent Agenda. Except as herein provided, the "Consent Agenda" shall be considered as a group without separate discussion on each item. When the Consent Agenda is introduced, each Councilmember has the right to remove any item, in which case the item is handled under Rule 4.5. After items are removed, the presiding officer shall ask the Members to indicate their votes on the remaining Consent Agenda items. The City Secretary shall record the votes on each item separately.

Rule 6.6. Consideration Out of Order. With the consensus of Council or pursuant to majority vote, any agenda item may be considered out of order, at the request of any Councilmember.

Rule 6.7. Council Appointments. The Council may consider and make appointments to City boards and commissions by either of the following procedures:

By direct motion. The Councilmember shall state the name of the person and the board to which they are being appointed. The motion will require a second, and a majority vote of the Council shall be required for appointment.

By nomination process. The mayor shall open the floor for nominations, whereupon Councilmembers may put the names of appointees forward. The names submitted shall be debated. When the debate ends, the City Secretary shall call the roll of the Councilmembers, and each member shall cast their vote from those persons nominated. The nominee receiving the highest number of votes shall be appointed. If more than one appointee is to be selected, then each member shall have as many votes as there are slots to be filled; however, a member shall not cast more than one vote for a single candidate. A majority of the members voting shall be required for appointment.

In accordance with Section 3.01 of the City Charter, all meetings of all boards, commissions and committees of the Council shall be open to the public and as provided by state law. The requirements of the Texas Open Meetings Act shall apply to all elected or appointed authorities, boards, commissions, Council, or other bodies of the City that are composed of a quorum of members of a particular body. However, the law's requirements shall not apply to a meeting solely among the City's professional staff.

Rule 6.8. Board Application Process. The City Manager shall ensure that public notice is provided to announce the opening of positions on various boards, such notice to be given at least 30 days prior to the date of the meeting that Council will consider such appointments. Where an unexpected vacancy occurs, the City Manager shall provide such notice not less than 14 days prior to the date of the meeting.

SECTION SEVEN. MISCELLANEOUS

Rule 7.1. Voting Required. Section 3.05 of the Charter requires Councilmembers to vote, as follows:

No member may be excused from voting except when such member has a conflict of interest as defined by law.

Any Council Member prohibited from voting by personal interest shall announce at the commencement of consideration of the matter and shall not enter into discussion or debate on any such matter. In that case, the member shall file with the City Secretary a written statement (electronic communications are considered acceptable) of the reason for abstaining. Any Councilmember refusing to vote – and not excused from voting – shall be considered in violation of the City Charter and will be recorded in the minutes as voting in the affirmative and may be held to further repercussions as deemed appropriate by the City Council.

Rule 7.2. Point of Order. A Councilmember may make a point of order to draw attention to a violation of these rules, such as the irrelevance or continued repetition of a speaker. Such action is not to be made because of disagreement over the subject matter of the discussion or an opinion. A point of order may be made at any point during a meeting and it may interrupt the

pending discussion, takes precedence over that discussion or any other motion, and must be decided before any other discussion or action occurs. Following a point of order, the presiding officer shall immediately stop the discussion, acknowledge the point of order, and allow the Councilmember who raised it the opportunity to state the basis thereof. No debate concerning the point of order is permitted beyond a fair, reasonable clarification of the applicable rule. After hearing the basis upon which the point of order is made, the presiding officer must rule immediately subject to conferring with relevant authorities about the validity of the raised issue. The presiding officer may dispute the point of order, accept it and apply or comply with the applicable rule, or not accept the order. If a Councilmember believes that the ruling given by the presiding officer is incorrect, then a Councilmember may make the procedural motion “dissenting from the chair’s ruling.” This motion must then be seconded and put to the vote without debate. The result of the vote will determine whether the ruling is upheld or reversed.

Rule 7.3. Suspension of Rules. These rules or any part hereof may be suspended for a specific purpose or any single meeting by consensus of Council or pursuant to majority vote. This does not apply to those rules directly mentioned in the City Charter or other sections of the Code of Ordinances.

Rule 7.4. Informal Requests. A Member of the Council, before or during the consideration of any matter, or in the course of a hearing, may request and receive information, explanations, or the opinions of the City Manager or City Attorney.

Rule 7.5. Council attendance at board meetings.

A Councilmember may attend a board or commission meeting in their capacity as a Councilmember, but should not participate in the discussion or deliberation so as to avoid any undue influence or an issue of due process. A Councilmember may attend a board or commission meeting and participate in the discussion where they have a personal interest in an issue before the board or commission, such as attending a Planning and Zoning Commission meeting for property that he or she owns and that is subject to a zoning change.

Rule 7.6. Councilmember Requests of Staff. Pursuant to Section 6.05 of the City Charter, Council is generally limited to going through the City Manager with respect to a request to staff. The policy basis for this procedure includes helping to ensure the City Manager is aware of any issue raised by a Councilmember, promoting the “chain of command” management, and efficiency. Where such a request or inquiry is made to the City Manager, the City Manager will address the request or inquiry as efficiently as possible, based in part on the nature of the request and existing workload, and will communicate with the Councilmember as to the timing of a response. The Councilmember should provide as much information as possible to help ensure that the response adequately addresses the question. In most cases, the City Manager will provide the response to the entire Council. Where a request will, in the City Manager’s opinion, utilize a significant amount of staff time or other resources or divert from City policy, the City Manager may ask the Councilmember to place the issue on an agenda for Council direction.
