Second trout release set for Jan. 11 at Louise Hays Park

Kerrville, Texas (Jan. 7, 2022) – The second of two planned rainbow trout releases along the

Guadalupe River in Louise Hays Park will occur on Tuesday, Jan. 11 and consist of another 1,200

rainbow trout. The rainbow

trout are provided by the

Texas Parks and Wildlife

Department's A.E. Wood Fish

Hatchery in San Marcos. The

trout stocking is timed with

winter water temperatures dropping below a level necessary for the survival of the trout.

The first trout release took place Dec. 15, 2021.

Everyone is invited to come to Louise Hays Park at 202 Thompson Dr. for a unique fishing experience. Individuals over 17 years of age are required by law to have a valid freshwater fishing license. As per statewide regulations, there is no minimum length limit and the daily bag

limit is five trout. For information regarding Community Fishing Lakes, fishing regulations, license requirements and rainbow trout fishing tips, please visit www.tpwd.state.tx.us.
