### **Republic Services to resume garbage, recycling services Monday**

**Kerrville, Texas (Feb. 4, 2022)** – Due to continued hazards resulting from inclement weather, Republic Services has suspended all normal garbage and recycling services for the remainder of the week. Republic Services will resume collections Monday and follow the regular schedule.

In addition, the city's landfill and transfer station will be closed through Saturday. Normal operations will begin on Monday for those sites.

Unfortunately, this will result in a two-week delay for recycling and a one-week delay for garbage. The City of Kerrville and Republic Services thank our citizens for their understanding and cooperation.
