2023 Solid Waste Calendar now available

Kerrville, Texas (Dec. 19, 2022) - The 2023 Residential Solid Waste Calendars have been mailed to all city residential customers who have solid waste service with the City of Kerrville. The calendars were sent to the mailing address noted on each customer's utility billing account.

Refrigerator magnet calendars are also available for pick up at city hall. The calendar is color coded for simplified understanding of the collection schedule.

In addition to showing the schedule for residential trash collection, the calendar also:

- Gives instructions for time frame and proper placement of trash carts.
- Has information on recycling, and what is or is not allowed.
- Lists limits and stipulations for the Brush/Yard Waste pickup.
- Provides the schedule and prohibited items for the Bulk Waste collection & drop off.

The calendar will also be available to view on the City of Kerrville website under the Public Works Department in the Solid Waste division on Jan. 1, 2023.

If you have not received a calendar, please contact the Public Works office at (830) 258-1221.

For more information please go to the City website at www.kerrvilletx.gov.

We would like to wish everyone a Merry Christmas and a Happy and Safe New Year.
