Solar eclipse glasses and t-shirts on sale now

Kerrville, Texas (April 26, 2023) – Kerrville will experience two unique solar eclipse events in less than a year. On Oct. 14, 2023, an annular solar eclipse will roll through the Hill Country, followed by a total solar eclipse on April 8, 2024. Both eclipses will require eclipse glasses for safe viewing. Eclipse glasses and commemorative t-shirts can now be purchased at the Parks and Recreation Department office located at Kerrville-Schreiner Park, 2385 Bandera Hwy. Glasses are \$3 each and soft t-shirts are \$30, while supplies last. The glasses can be used to view both the 2023 and 2024 eclipses.

“Ensure your eyes are protected with our custom Kerrville eclipse glasses that are ISO-certified,” said Rosa Ledesma, recreation manager. “While you’re at it, grab a shirt to commemorate these once-in-a-lifetime eclipse events!”

Want to sell eclipse glasses in your place of business? At a discounted rate, you can bulk-purchase glasses for your organization. Minimum quantities apply. If you are interested, e-mail the Parks and Recreation Department at recreation@kerrvilletx.gov.

For more information, contact the Parks and Recreation Department at (830) 257-7300, recreation@kerrvilletx.gov, visit the city's website at www.kerrvilletx.gov, or follow us on Facebook at City of Kerrville Parks and Recreation Department or Instagram at cityofkerrville.
