Sandra Yarbrough moved to approve minutes, Christine Klima seconded, and the motion passed.

2.B. Presentation by Kerrville Police Department – Issues for Senior Citizens – Sergeant Lamb.

Sgt. Lamb introduced himself and provided the group with some background information. Kerrville is a safe community but don't be the outlier or make it easy. Unlocked vehicles are #1. When you get home, lock your doors on your home. Get to know your neighbors and surroundings. Report things that are out of the ordinary. Use common sense and take precautions. Scams include: email, phone calls, social media, internet. Be aware. Never give anyone who calls your personal information. Never click on links in emails that you don't recognize.

2.C. Boomer's & Beyond Senior Prom Event Update – Karen Martin

Date set for October 8, 2022 from 4pm – 7pm. Theme: Get Your Kicks on Route 66". A \$5 reservation fee will be charged at the door. This will cover event expenses such as advertising, flyers, etc. SSAC was concerned about attendance if a fee is charged. Also concern about the donation/grant that we will be applying for with H-E-B. We may not get it if we are charging a fee. May be a conflict with City sponsorship as well. Karen Martin said that they weren't set for the fee and will probably revisit it at the next meeting.

2.D. Technical Support for Seniors – Christine Klima

Christine Klima discussed the Texshare database available at the Butt-Holdsworth Memorial Library and computer class provided by ClubEd through the Dietert Center.

3. ITEMS FOR FUTURE AGENDAS:

Committee members may suggest items or topics for future agendas.

1. Explore opportunities to help the Kerrville Police Department with getting information to Senior Citizens – Waverly Jones.
2. Update on Boomer's and Beyond Senior Prom Event – Karen Martin.
3. Explore potentially a program where SSAC members who are computer savvy could provide one on one computer training in a public place i.e. library or Dietert Center – Waverly Jones.
