### **Library to host Grand Canyon presentation Saturday**

**Kerrville, Texas (Oct. 24, 2023)** – The North Rim of the Grand Canyon is an awe-inspiring natural wonder that captivates visitors from around the world. Carved over millions of years

by the mighty Colorado River, this vast and majestic gorge stretches for approximately 277 miles and plunges to depths of over a mile. With its breathtaking vistas, the North Rim offers an unparalleled panorama of

colorful rock layers that tell the geological story of Earth's history. As the most accessible and popular side of the Grand Canyon, it welcomes millions of tourists every year to revel in its beauty and grandeur.

Join the Butt-Holdsworth Memorial Library staff and Kevin Hartley, a Sierra Club Outings Leader and Wilderness First Responder on Saturday, Oct. 28 at 2 p.m. in the library meeting room for an informative and engaging presentation on the North Rim of the Grand Canyon.

Hartley will share photographs, maps and highlight a few of his favorite hikes and drives.

Questions are welcome!!

This event is free and open to the public. For more information, please contact the library reference desk at (830) 258-1274 or visit the library's website at [www.kerrvilletx.gov](http://www.kerrvilletx.gov).
