5A. Online Suggestion Submission – Ms. Tate reported she had worked with the city website team to get a suggestion box link up for the public to communicate with the RCC team.

5B. Resource Guide – PDF of last resource guide was sent to the city website administrators for posting the updated guide to the RCC page.

5C. Warrants Clinic – Tabled until next meeting. William Tatsch stated both he and Judge Pearson are in favor of this. Joe Piszcior will e-mail Thomas Hurt for updates.

5D. 2023 INOR Debrief – Katelyn Christopher reported the INOR had a successful turnout. From a funding standpoint, the plan is to use the remaining RCC budget to pay for the event and use donation money to pay the remainder and save left over donation money to help plan next year's event in advance. Discussion was also held to start planning the event for 2024 well in advance to prevent organizing the event at the last minute. Kudos to Katelyn for a great job in planning the event and for Dale Trees being the emcee.

5E. “Reverse” Job Fair – Tabled. Mention was made that TWC provides this service but job seekers are not directed to TWC for job placement. It was suggested that instead of RCC committing time to a service already rendered, possibly devise a way of getting the word out to the recovery community about TWC and the services provided.
