Kerrville-Schreiner Park to host annual bow hunt

Kerrville, Texas (Nov. 14, 2023) – The City of Kerrville Parks and Recreation Department's Kerrville-Schreiner Park will once again host the Texas Parks and Wildlife's wildlife management bow hunt in December.

For safety, the Southside/Hillside area of the park will be closed from Nov. 28 to Dec. 18 to all traffic and park visitors. The Riverside area of the park will remain open to the public for business as usual.

The Southside/Hillside area of the park will reopen Dec. 18 at 8 a.m.

Each year, hunters are selected to participate in the wildlife management bow hunt through an electronic drawing process facilitated by the Texas Parks and Wildlife Department's Public Hunt Program. If you'd like additional information about the Public Hunt Program, please visit <https://tpwd.texas.gov/huntwild/hunt/public/>. A slight change from last year, standby hunters will not be allowed onsite.
