Discover birding in unlikely places with author Jennifer L. Bristol

Kerrville, Texas (March 6, 2024) – The Riverside Nature Center and the Butt-Holdsworth Memorial Library are hosting Austin author Jennifer L. Bristol as she discusses her book “Cemetery Birding: An Unexpected Guide to Discovering Birds in Texas”. Bristol will speak Saturday, March 9 starting at 2 p.m. in the library’s first floor meeting room. Light refreshments will be served. A book signing and sale will be held at the end of the event.

For bird watchers, cemeteries offer easy walking, open spaces to peer into habitats, and a peaceful place to feel the breeze and listen to the quiet conversations of nature. Bristol will cover exploring these sacred areas, highlighting nearly 100 species in her book with details on what birds can be observed in various seasons and offering a snapshot of the cemetery and community’s history.

The presentation is free to the public. For additional information, please contact the library's reference desk at (830) 258-1274.
