### **Ramp from library to Louise Hays Park to be closed for art installation**

**Kerrville, Texas (May 16, 2024)** – The ramp behind the Butt-Holdsworth Memorial Library leading to the Kerrville River Trail and Louise Hays Park will be closed on two separate occasions to facilitate the city's newest art installation. The closures will take place as follows:

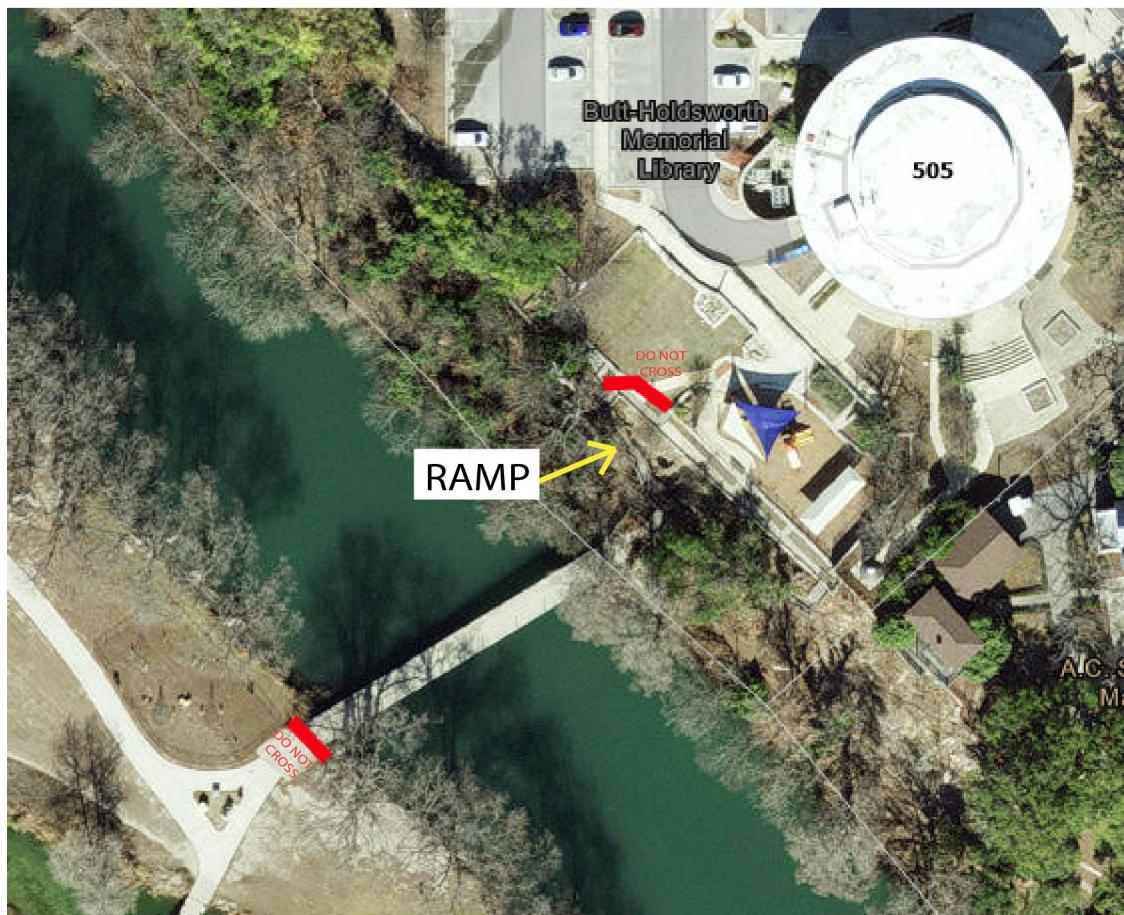

- First closure begins at 9 a.m. on Monday, May 20, until approximately noon on Friday, May 24.
- Second closure begins at 9 a.m. on Tuesday, May 28, until approximately 5 p.m. on Friday, May 31.

The ramp will be accessible on Memorial Day weekend and Memorial Day. Please be mindful of signage and barricades. For safety, do not walk, run, bike or otherwise go past or ignore safety barriers.

The Community Arts Program committee worked diligently to get the artwork approved for this location. Species of local flora, fauna and more will be etched on the concrete walls of

the ramp for educational and cultural purposes as a tribute to the Guadalupe River. The artwork will represent seven ecological layers, from the river bottom to dark skies.
