### **Library to host BK Bones on Wednesday, July 24 at Cailloux Theater**

**Kerrville, Texas (July 19, 2024)** – The Butt-Holdsworth Memorial Library is excited to welcome BK Bones to the Cailloux Theater, located at 910 Main St., on Wednesday, July 24 at 10 a.m. Children, parents and caregivers will enjoy a morning learning about paleontology during a fun, interactive show featuring museum quality fossils.

BK Bones, aka Bethany Burke

Franklin, is a paleontologist and science educator who shares her passion for the prehistoric with engaging talks and lively demonstrations designed for preschool and school-aged children. On the science side, Franklin is currently the lead researcher on Texas Through Time's marine reptile dig site. She has also served as a field intern at The Montana Dinosaur

Center, where she conducted field research at a dig site, prepped fossils in the lab, and led museum tours.

This program is open to the public and no registration is required.

For more information and any other questions, please contact the library' reference desk at (830) 258-1274.
