It is in the best interest of taxpayers as well as the taxing entities for the district to retain well trained and educated employees. Hiring from other districts for appraisers with an RPA designation and employees with experience and training has heightened due to the Comptroller's MAPS Review. The time required for an employee to earn their RPA designation takes approximately 5 years at a cost of more than \$20,000 to the district. It is vital that Kerr CAD remain competitive with other appraisal districts. There will be a total of 11 staff positions this year unchanged from last year.

The total salary line item for 2025 is \$635,500 which reflects an increase of 4.23% from 2024. The increases reflect wage adjustments to put Kerr CAD salaries in line with other districts. We are required by the Methods Assistance Program administered by the State of Texas Property Tax Assistance Division to display each employee's salary and benefits as well as the total salary and benefits for each employee. The total for salaries plus benefits is \$841,126 an increase of 3.48% over 2024.
