## **EXHIBIT A**

**CITY OF KERRVILLE, TEXAS  
TAX INCREMENT REINVESTMENT ZONE TWO  
PROJECT & FINANCING PLAN**

**Participation Levels:**

**City of Kerrville: 100%**

## **Introduction**

The City of Kerrville Tax Increment Reinvestment Zone Two (TIRZ #2) encompasses approximately 100.36 acres generally located along Loop 534 north of Olympic Drive and adjacent to Hal Peterson Middle School. The goal of the development of TIRZ #2 is to allow for partial reimbursement to a developer, Lennar Homes, for public infrastructure costs related to a new housing development focused on the construction of attainable housing. The new development will help satisfy a housing shortage in the City and support Kerrville 2050, the City's Comprehensive Plan, adopted by City Council in 2019. Workforce housing shortages are causing labor deficits to businesses in the City, especially in area schools, hospitals, and public safety departments. Because of the cost of infrastructure related to the project, without the TIRZ, this project would not be developed in a way to have near-term impact on the housing shortage. TIRZ #2 has a term of 30 years beginning January 1, 2024 and ending January 1, 2054.

## **Project Overview**

TIRZ #2 will provide financing through increment (above the base year) collected from the Maintenance & Operations (M&O) portion of property tax collected from homes developed within the zone in accordance with both Ordinance 2023-30 and Development Agreement 2024-15. Increment will be used to repay the developer for infrastructure costs incurred during project development. Lennar Homes is expected to incur expenses in an approximate amount of \$32,803,576 related to infrastructure development required to implement the project plan. The project will include construction of 490 homes over the course of eight years to be priced between 80% and 120% of the Area Median Family Income (AMFI) within Kerr County, Texas, as annually established by the Texas Department of Housing and Community Affairs (TDHCA) Home Program. No persons will be displaced as a result of the implementation of this plan. Zoning changes were made to this property, which is currently unimproved, by Ordinance 2023-29, in the following ways:

- Annexing the portion of the property outside of the City of Kerrville city limits into the City
- Changing a portion of the property from an Agricultural District and Public and Institutional District to a Planned Development District allowing for residential use
- Changing a portion of the property from an Agricultural District and Public and Institutional District to a General Commercial District
- This project was presented to and approved by City Council as follows:

The Board shall make recommendations to City Council concerning the administration, management, and operation of the zone. ## **Plan of Finance**

The tax year 2024 will be used to establish the base value of the TIRZ. The estimated appraised value of the TIRZ #2 is \$943,905. Official value will be updated once determined by Kerr Center Appraisal District upon completion of property division. Net Taxable Value will be considered the Base Value. Projected captured values that would be taxed to produce revenues to pay for the TIRZ expenses commenced the City's fiscal year 2024 with collections commencing in tax year 2024 (fiscal year 2025) in accordance with the City Council approved development agreement 2024-15 with Lennar Homes. Collections from the maintenance and operations (M&O) portion of property tax received from the defined geographical area will be deposited to the following funds as prescribed by Ordinance 2023-30:

City of Kerrville General Fund: 40%  
City of Kerrville TIRZ #2 Fund: 60%

The City of Kerrville TIRZ Board may only use the City of Kerrville (City) contribution to the TIRZ Fund to pay expenditures to reimburse the developer for infrastructure costs incurred as provided within development agreement 2024-15. The developer (Lennar Homes) is entitled to reimbursement up to a maximum of \$27,803,576. Payment to the developer will be reimbursed at a rate of 60% of increment collected above the base year. The City will retain 40% in the general fund.

The TIRZ collections for this project shall begin on January 1, 2024 and shall not extend beyond January 1, 2054. The City of Kerrville is the only participating taxing entity and, as such, is participating at 100%. Pursuant to Chapter 311.012, of the Texas Tax Code, TIRZ #2 is determined to be economically feasible.

### Conclusion

Workforce housing is an issue that the City has been heavily focused on in recent years and is outlined in the City's Comprehensive Plan. Workforce shortages continue to be attributed to a lack of attainable housing in the area. This project will provide one solution to this problem. Without the creation of the TIRZ and the financing allowed by the zone, this property would not create a solution to the workforce housing issue in the near-term. The TIRZ #2 is in compliance with Tax Code 311.008 by encouraging future residential development.
