Dates announced for annual trout restock in Louise Hays Park

Kerrville, Texas (Dec. 4, 2024) – The Guadalupe River in Louise Hays Park, located at 202 Thompson Dr., will be stocked with rainbow trout this winter, offering a great opportunity for anglers in our community. The Texas Parks and Wildlife Department (TPWD) will conduct two stockings of rainbow trout, with the first release scheduled for Tuesday, Dec. 17, 2024, followed by a second stocking on Wednesday, Jan. 15, 2025. Each stocking will include 1,200 rainbow trout.

These trout are provided by the TPWD's A.E. Wood Fish Hatchery in San Marcos, Texas. The stockings are timed to coincide with the winter water temperatures ideal for rainbow trout survival. Everyone is invited to come to Louise Hays Park for a great fishing experience. Anglers over the age of 17 are required by law to have a valid freshwater fishing license. As per statewide regulations, there is no minimum length limit, and the daily bag limit is five trout. For more information on community fishing lakes, fishing regulations, license requirements, and tips for fishing rainbow trout, please visit www.tpwd.state.tx.us.

For additional information, contact the Parks and Recreation Department at (830) 257-7300, recreation@kerrvilletx.gov, visit the city's website at www.kerrvilletx.gov, or follow us on Facebook at City of Kerrville Parks and Recreation Department or Instagram at [cityofkerrville](#).
