### **Library to host Nature Challenge talk Saturday**

**Kerrville, Texas (March 26, 2025)** – Families are invited to join the staff at the Butt-Holdsworth Memorial Library this Saturday, March 29, for a 10:30 a.m. presentation by Laura Levy from Busy-Birding on the City Nature Challenge (CNC), along with a demonstration.

In 2024, the San Antonio Metro Area, which includes Kerr and 11 nearby counties, placed 3<sup>rd</sup> in the entire world in

this friendly challenge to catalog all living creatures in our area. Come learn how you and your family, as an individual or team member(s), can help retain our National Champions title during the April 25-28, 2025 event. We'll discuss Citizen Science, the iNaturalist online Community, and the free mobile apps iNaturalist and Seek.

After the talk, we will move outside to gather observations. We will be available to assist with any mobile apps if needed. If you'd like, you can install the iNaturalist and Seek app in advance. Interested participants should bring their cell phones to the program, and cameras are also welcome.

The program is free and registration is not required. For more information, please contact the library's reference desk at (830) 258-1274 or visit the city's website at [www.kerrvilletx.gov](http://www.kerrvilletx.gov)
