### **Movies in the Park series continues this Friday, May 2**

**Kerrville, Texas (April 29, 2025)** – The Kerrville Parks and Recreation Department is excited to welcome residents and visitors to the next installment of the free Movies in the Park series this Friday, May 2, at the Kerrville Sports Complex (soccer fields). For Friday’s showing, we will feature the heartwarming new release, “IF” (2024, PG). The movie will begin at sundown and guests are encouraged to bring lawn chairs, blankets, and picnic snacks to enjoy a cozy night under the stars.

This year’s series will continue with a diverse and exciting slate of films at various scenic locations across Kerrville. Dates and locations are as follows:

- July 18: “JAWS” (1975, PG) at Louise Hays Park
- Aug. 23: “Barbie” (2023, PG-13) at Schreiner University
- Oct. 31 – “Despicable Me 4” (2024, PG) at Louise Hays Park

These family-friendly evenings offer a unique way to experience Kerrville’s parks and build community spirit through shared experiences.

"We are proud to offer this series each year as a way to bring people together in a fun and welcoming atmosphere," said Rosa Ledesma, interim director of Parks and Recreation. "Whether you're a longtime resident or new to the area, Movies in the Park is a great opportunity to get outdoors and enjoy some of the best parts of Kerrville."

Please be prepared for changing weather conditions. We will monitor the weather closely and post any event updates or changes on our official social media channels. Be sure to check for the latest information before heading to the event.
