### **Library to host line dancing with Clifton Fifer Saturday**

**Kerrville, Texas (July 9, 2025)** – In the midst of heartbreak and uncertainty, the Butt-Holdsworth Memorial Library will hold a moment of community and music with "line dancing," hosted by Kerrville citizen Clifton Fifer on Saturday, July 12 at 2 p.m. in the third-floor meeting room.

This is a profoundly difficult time for our neighbors and families. Clifton Fifer, a retired teacher and football coach from Kerrville, responded with clarity and sincerity, hoping to provide a brief moment of light during these difficult times.

Fifer's sessions are always full of rhythm, laughter, and connection. No experience is necessary — just a willingness to show up and move together. We invite you to join us for a short break, a shared smile, and a little dance as we support one another.

This event is free and open to all ages; no registration is required. As our community continues to recover, we hold close the memories of those lost and offer our gratitude to the first responders, search teams, and volunteers working tirelessly throughout the county.

Together, we move forward—step by step.

For more information, call the library at (830) 258-1274 or visit [www.kerrvilletx.gov/library](http://www.kerrvilletx.gov/library).
