Learn and discuss with the library's Great Decisions group

Kerrville, Texas (June 26, 2025) – The Butt-Holdsworth Memorial Library will be hosting our next Great Decisions discussion on Tuesday, July 1 from 12 noon to 1:30 p.m. in the library conference room. This month we will set aside the readings and discuss the documentary “The River and the Wall”, which chronicles five friends on an unforgettable border journey into one of the most controversial and talked about

topics in America today: the border wall. Participants can watch the documentary on Kanopy, a streaming service which is available free to all library members; it is also showing on YouTube. We will then meet for discussion on July 1.

Great Decisions is America's largest discussion program on world affairs, under the auspices of the Foreign Policy Association. Originally launched in Portland, Oregon in 1954, the

discussion program is based on the "Avon" model of face-to-face active and informal conversation. Eight topics are selected by a panel of experts for Great Decisions groups to address each year. The program is free and registration is not required. For more information, please contact the library reference desk at (830) 258-1274 or visit the city's website at www.kerrvilletx.gov.
