# TIRZ MEETING JANUARY 26, 2023

# What is Tax Increment Financing (TIF)?

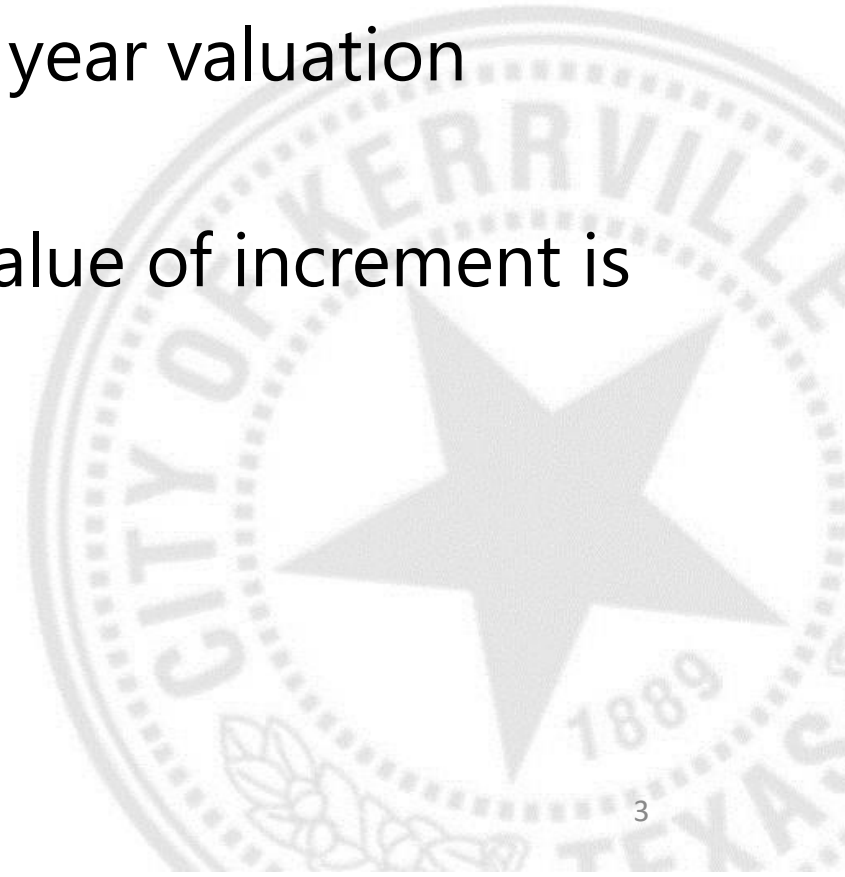

- Tax Increment Financing (TIF) is a tool to help finance public improvements and development projects within a defined area. A municipality makes an area eligible for TIF by designating it a Tax Increment Reinvestment Zone (TIRZ).
- Once a TIRZ is established, all tax revenue growth is retained within the fund and is used to help pay for eligible improvements within the zone.

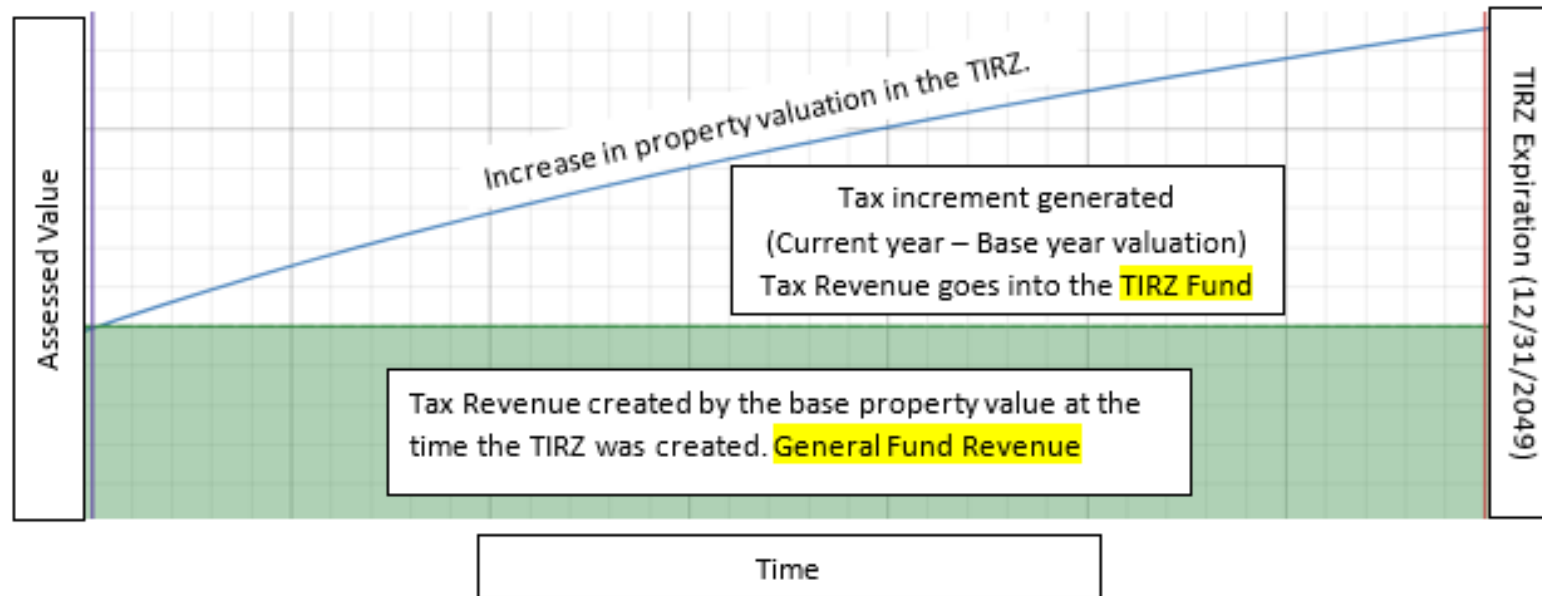

# What is considered increment?

- Increment is the difference between the property valuations in the current tax year and the base year.
- All property taxes collected in the base year valuation remains in the General Fund.
- All property taxes collected using the value of increment is retained in the TIRZ Fund.

# What is considered increment cont.
