Library Introduces New 3M Self-Checkout Machines

Kerrville (January 22, 2013) – The Butt-Holdsworth Memorial Library is pleased to announce the installation of two 3M Self-Checkout kiosks purchased with funds donated by Charles Butt. Self-Checkout provides library patrons the opportunity to avoid the line, save time, and quickly and efficiently check out their own books and audiobooks. The Circulation staff will continue to be available to check out materials and to assist patrons with account questions.

To use the Self-Checkout machines, patrons must have a valid library card. Simply follow the prompts on the screen, confirm the checkouts, and select a receipt option. Patrons may also use the kiosks to view their account information and renew their currently checked out items. Staff will be on hand to answer any questions and to assist patrons in using the machines. Due to their security cases, DVDs must be checked out at the Circulation Desk.

For additional information contact Laura Bechtel, Library Director at 830.258.1260 or visit the city's website at www.kerrvilletx.gov.
