**National Preservation Month**

**Kerrville, Texas (May 28, 2013)** – Beginning May 1, 2013, citizens in Kerrville have joined thousands of individuals across the country to celebrate National Preservation Month. “*See! Save! Celebrate!*” is the theme for National Preservation Month of May 2013, co-sponsored by Kerrville Main Street and the National Trust for Historic Preservation.

Kerrville Main Street and the National Trust for Historic Preservation invite you to celebrate with us on May 29, 2013 at 10:00 a.m. for a Historic Building sign unveiling the newest version of the Downtown Kerrville Historic Building signs at Sunrise Antiques Mall located at 820 Water Street. The Historic Downtown Business Alliance and Kerrville Main Street, have worked hand in hand with Kerr County Historical Commission on this project over the past several months.

The National Trust for Historic Preservation is a non-profit membership organization bringing people together to protect, enhance, and enjoy the places that matter to them. By saving the places where great moments from history – and the important moments of everyday life – took place, the National Trust for Historic Preservation helps revitalize neighborhoods and communities, seek economic development and promote environmental sustainability. National Trust for Historic Preservation provides leadership, education,

advocacy and resources to a national network of people, organizations and local communities committed to saving places, connecting us to our history and collectively shaping the future of America's stories.
