**Block Party at the Library: The BHML Lego Club**

**Kerrville (August 19, 2013)** – The Butt-Holdsworth Memorial Library is excited to announce that one of the Summer Reading Club’s most popular activities will now be held throughout the year. Starting on September 28<sup>th</sup>, the BHML Lego Club will meet on the 4<sup>th</sup> Saturday of the month, September through May, from 2:00-3:00 PM in the Library’s Meeting Room. All children ages 6 to 12 are welcome to participate. Registration is not required.

Each Lego Club meeting will have a theme from which the children, using their imagination, will create their structures. Once the Lego creations are completed, everyone will share with the group what they built and why. Parents are encouraged to bring a camera to capture their child’s creation, as the Legos will remain at the Library.

This is an opportunity for children to foster creativity, improve problem-solving, mechanical skills, and to just have fun.
