Pampell's Now Open in Downtown Kerrville

Kerrville, Texas (September 29, 2014) – Kerrville Main Street is very excited to announce a much anticipated business has reopened in downtown Kerrville! 701 Water Street is home to Pampell's which opened on Friday, September 26, 2014 just in time for the *Kerrville Triathlon Festival* and the *Sock Hop on the Star*.

Pampell's is a family managed and operated business which also owns El Sombrero Mexican Restaurant in Kerrville. Luis Melendez, co-owner of Pampell's said the idea to re-open the restaurant came to him as he drove by the closed restaurant. "I was driving by one day and happened to notice the restaurant was out of business. That prompted one of those 'what if' conversations with my dad and a few months later, here we are," said Melendez. "Pampell's has a selection of good pub style food – burgers, wings, chlidogs, street tacos, salads, and a kid's menu. We also have some specialty beers and a good variety of martini's and spirits." The family put in an extreme amount of hard work transforming the building and they also have a large projector and TV's where you can catch the game with your

friends while having a meal. Be sure to check with the staff as the restaurant will frequent live music on the weekends.

Pampell's can be reached by phone at (830) 896-0177 or better yet, stop by and visit them at 701 Water Street, at the corner of Water Street and Sidney Baker.
