May 2015 Proclaimed as National Preservation Month

Kerrville, Texas (May 13, 2015) – At the May 12, 2015 Kerrville City Council meeting, Mayor Pratt read a proclamation proclaiming May 2015 as National Preservation Month. Historic preservation is an effective tool of managing growth and sustainable development, revitalizing neighborhoods, fostering local pride and maintaining community character while enhancing livability. Historic preservation is relevant for communities across the nation, both urban and rural, and for Americans of all ages, all walks of life and all ethnic backgrounds. It is important to celebrate the role of history in our lives and the contributions made by dedicated individuals in helping to preserve the tangible aspects of the heritage that has shaped us a people. National Preservation Month 2015 is cosponsored by Kerrville Main Street and the National Trust for Historic Preservation.
