### **Kerrville Police Investigate Report of Suspicious Activity**

**Kerrville, Texas (May 27, 2016)** – The Kerrville Police Department is investigating a report of suspicious activity that may have occurred in the Singing Winds Park the afternoon of Friday, May 27, 2016.

Around 1:00 p.m. police received a report of an individual clothed in black following a high school student home. The report was received approximately one hour after the incident occurred. Police responded to the area and were unable to locate a subject matching the description.

It's unclear at this time that any offense has been made, however an investigator has been assigned and police continue looking into the incident.

Although it is a suspicious circumstance, police do not feel there is any evidence to suggest an imminent danger to citizens at this time.

Authorities would like to take this opportunity to remind residents of a few safety tips to keep in mind if walking alone on a trail:

- Let someone know where you're going and when you plan to return
- Don't run or walk while wearing earbuds in both ears
- Ask another individual to walk or run with you
- Remain aware of your surroundings
- If you notice any suspicious activity contact authorities immediately
