### **New Speed Limit to Take Effect on Loop 534**

**Kerrville, Texas (August 31, 2016)** – Effective Saturday, October 1, 2016, the speed limit along Loop 534 between Stoneledge Drive and Beech Street will be reduced from 60 miles per hour to 55 miles per hour.

Additionally, effective October 1, 2016, a portion of Loop 534 will be designated as a school zone. The speed limit along a 0.397 mile section of Loop 534 in front of Tivy High School will be reduced from 55 miles per hour to 35 miles per hour during certain hours of the school day. This school zone has been marked with corresponding yellow signs and flashing signals to alert drivers when the school speed zone is in effect.

Motorists should be aware that new signage and flashing signals that mark the school zone and indicate the change in speed limit have been posted along these routes as of Tuesday, August 30, 2016; however, enforcement of these new speed regulations will not begin until Saturday, October 1st.
