Local Girl Scouts Raise Money for Adaptive Swing

Kerrville, Texas (April 2, 2018) – Last week two local Girl Scouts presented a donation of \$795 to the Kerrville Parks and Recreation Department for a new adaptive swing which has now been installed in Lehmann and Monroe Park. Sisters Keely (14) and Bailey (12) Geisel put an exceptional amount of work into raising the money for this swing.

“I am extremely impressed with the dedication and selflessness of these young ladies,” said Ashlea Boyle, director of Parks and Recreation. “Keely and Bailey approached us about this idea, after visiting the park, with the hope of providing an inclusive feature as one of their service projects. They worked very hard raising the funds and even donated some of their own money. We were thrilled with the idea of adding this amenity to this playground. The Parks and Recreation Department thanks Keely and Bailey for their hard work and service to the community.”

“This project for me was to ensure everyone had the joy of swinging,” Keely Geisel said.

The young ladies will be recognized for their efforts at the April 24, 2018 City Council meeting.
