### **Public input meeting to be held for the Olympic Pool**

**Kerrville, Texas (Sept. 26, 2018)** – The City recently launched its aquatics feasibility study for the Olympic pool and will be holding a public input meeting on Thursday, Oct. 11 at 5:15 p.m. at City Hall.

The community is invited to meet with staff and our consultants to hear about the existing conditions of the pool and offer feedback on the facility and potential improvements.

“This is the community’s facility and we are very interested in hearing from the community on what their needs and desires are, what they would like to see, or not see in regards to improvements to the facility,” said Ashlea Boyle, Director of Parks and Recreation. “We definitely want the community to be involved with this process. We’ve heard a variety of feedback from people over the past couple of years and we are listening. Now’s the time to speak up and get involved if you are passionate about aquatics, have ideas, or have an opinion that you would like heard.”

For additional information, contact the Parks and Recreation Department at (830) 257-7300 or visit the city's website at [www.kerrvilletx.gov](http://www.kerrvilletx.gov).
