Louise Hays Park Receives Donation of 11 Trees

Kerrville, Texas (Nov. 26, 2018) – *The Kerrville Beer Run* – a 5K run on the Kerrville River Trail hosted by Pint & Plow and Basement Brewers of Texas – donated its proceeds from their June run to the Kerrville Parks and Recreation Department to plant trees in Louise Hays Park.

“Eleven trees were donated and planted along the River Trail. Seven were planted on the west side of the park, and the other four were planted on the east side of the park,” Parks and Recreation Director Ashlea Boyle said. “It’s our goal to continue to plant trees along the River Trail in Louise Hays Park to provide shade and to contribute to the environment. This generous donation helps us kick start this goal, and we are very appreciative.”

The Kerrville Beer Run and its organizers have expressed interest in continuing to plant trees in Kerrville’s parks for years to come. Thank you to Pint & Plow and Basement Brewers for helping provide shade and beautification to our park!
