Second Public Input Meeting to be held for the Olympic Pool

Kerrville, Texas (Nov. 26, 2018) – The City of Kerrville recently launched its aquatics feasibility study for the Olympic pool, and will be holding a second public input meeting on Thursday, Nov. 29 at 5:15 p.m. at the Dietert Center, 451 Guadalupe St.

The community is invited to meet with staff and our consultants to hear about the results and feedback from the community from the first public input meeting held in October. It will also include the results of an online survey.

“We had a fantastic turnout at our first public input meeting and we are hoping for the same for the second meeting,” said Ashlea Boyle, director of Parks and Recreation. “We will present the feedback and results thus far, and provide an opportunity for the community to provide their thoughts.”

For additional information, contact the Parks and Recreation Department at (830) 257-7300 or visit the city’s website at www.kerrvilletx.gov.
