

Kerrville Parks and Recreation Department Commemorative Bench Program

The City of Kerrville Parks and Recreation Department offers you a special way to honor a loved one and enhance the beauty of your community by placing a commemorative bench in the city's park system. Note: We are currently not adding benches to the River Trail.

Fee: \$3,500 (includes a plaque)

Expedited Service Fee: \$1,500 (incurred on benches placed outside of winter season)

Specific locations for bench placement within the parks system may be requested. However, final locations are subject to approval based on need. City staff will assist the donor with selecting a bench location that best fits the needs of both the donor and the Parks and Recreation Department.

Benches will only be placed in the winter season (November-December), depending on the weather. Benches needing to be placed outside this season will incur an expedited service fee. Orders must be submitted by the first Friday of September to be placed within the same calendar year. Orders submitted after this deadline will be placed in the following calendar year's winter season. Please submit the form below and payment to the Parks and Recreation department.

Order Form

Name: _____ Address: _____

Phone Number: _____ E-mail: _____

Preferred Bench Location (list top 3 preferred locations):

Plaque Comments:

Limited to 100 characters. The City of Kerrville reserves the right to modify or deny plaque verbiage.
