Annual Trout Stocking Planned at Louise Hays Park

Kerrville, Texas (Dec. 14, 2018) – Louise Hays Park will be stocked with two shipments of rainbow trout this winter. The first release will occur Wednesday, Dec. 19, 2018 and will consist of 2,400 rainbow trout. The second release will occur on Wednesday, Jan. 16, 2019 consisting of another 2,400 rainbow trout. The rainbow trout are provided by Texas Parks and Wildlife Department's A.E. Wood Fish Hatchery in San Marcos. The rainbow trout stocking is timed with winter water temperatures dropping below a level necessary for the survival of the trout.

Everyone is invited to come to Louise Hays Park, located at 202 Thompson Dr., to enjoy a great fishing experience. Individuals over 17 years of age are required by law to have a valid freshwater fishing license. As per statewide regulations, there is no minimum length limit and the daily bag limit is five trout.
