Creating New User Account

Prior to getting started, we encourage you to download and install the web browser Mozilla Firefox. While the MyGovernmentOnline software is designed to operate in any web browser, we have found that Mozilla Firefox is the most secure browser platform when logged onto www.mygovernmentonline.org. You can download Mozilla Firefox by clicking [here](#).

Step 1: To get started, go to www.mygovernmentonline.org

Step 2: Click on the blue Create Account link at the top right of your screen.

Step 3: Fill out the short questionnaire with a valid e-mail, first and last name, a working phone number. Choose a password and challenge question that you can remember. This question will be used to verify your identity should you misplace your password.

Create Account on Customer Portal

Important:

1. Before an account becomes fully functional it will require phone verification. You can still login without a verified account but some features will be disabled.
2. Upon clicking the "Create Account" button below, a phone verification call will be made to the listed phone number within a few minutes. Upon answering the call please press 1 to verify your account.
3. If you miss the call you can retry the call by logging in under your account and pressing the "Retry Phone Verify" button. If you have any trouble with this process please call our office at 1-866-957-3764 and we will help you verify your account.

Create Account

Once you click create account, you will be brought to the customer portal overview. This page includes detailed information about the site and helpful links.

Step 4: You will receive an automated phone number verification call immediately after creating your account. Phone numbers are how we connect you with your projects, so it's important that the phone number on your account is a working number. You can always add more numbers to your account later.

If you are unable to verify your number via the automated call, you can contact our support team by calling (866) 957-3764 or going to <https://www.mygovernmentonline.org/#contactus>.

Viewing My Permits

The My Permit section allows you to view all permits with your associated verified phone number, whether the permit has been issued or is still pending.

Step 1: Login with your user account by clicking the login link located in the top right of the MyGovernmentOnline homepage. Enter your full e-mail address and password in the login window.

Step 2: Once you are logged in, click My Account in the top right. This will bring you to your account dashboard.

Apply Online for a Permit

MyGovernmentOnline allows you to submit applications for permits and send the necessary documentation directly to the jurisdiction.

While application questions and requirements differ between every jurisdiction, below is the process you will take to apply for a permit no matter where your project is located.

Step 1: Log in to your MyGovernmentOnline account. [Click here if you do not have an account.](#)

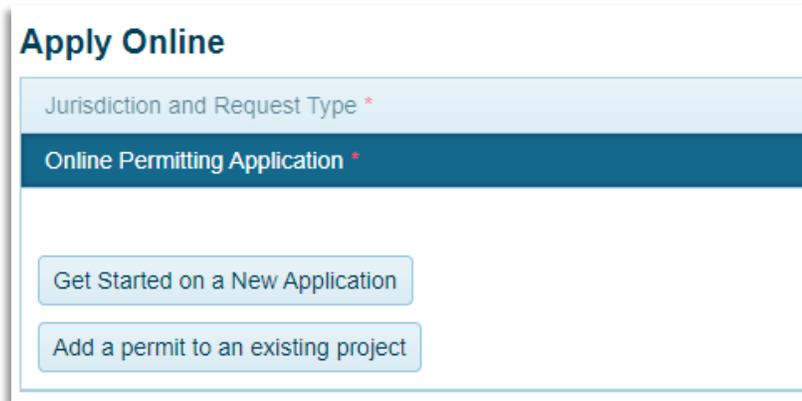

Step 2: Once logged in, hover the Permits & Licensing heading in the top left of the home page. A drop down will show. Select "Apply Online".

Step 3: In the drop downs, select you County, State, Jurisdiction, and Project Type. Click next.

Step 4: To apply for a new project, select “Get Started on a New Application”. To add an additional permit to an existing project, select “Add a permit to an existing project”.

My Project has been addressed by the Jurisdiction.

Address or Location: * City: * Zipcode: *

Step 6: Once you have selected the desired application type, you will be able to fill out the Contact Information for the project.

The number of contacts vary between applications. Selecting the “Notify” check box on a phone number or email will notify that contact of any changes on the project. Click “Next” after each contact section.

The screenshot shows a form titled "Contact Information" with the following fields and options:

- First Name:

At the bottom of the form are two buttons: "Back" and "Next".

Step 7: The Application Questionnaire follows the last contact section. Each questionnaire will be different. Below is an example of a permitting application. Fields with a red asterisk are required.

The screenshot shows a form titled "Application Questionnaire" with the following fields and options:

- Project Description***: Please give a short description of your building's use. 1000 char(s) available.
- Business Name**: Please provide your business name. 4000 char(s) available.
- Lot or Tract Number**: Please provide the lot number.
- Tract Number**: Please provide the tract number.
- Subdivision Name**: Please provide your subdivision name. 4000 char(s) available.
- Permit Type***: Please select the most appropriate type that fits your permit.

Step 8: Once all required fields on the application are filled, click “Next”. This section is called Files Upload. Some applications may ask for specific files in this section, such as in the image below. However, there is always a general file upload.

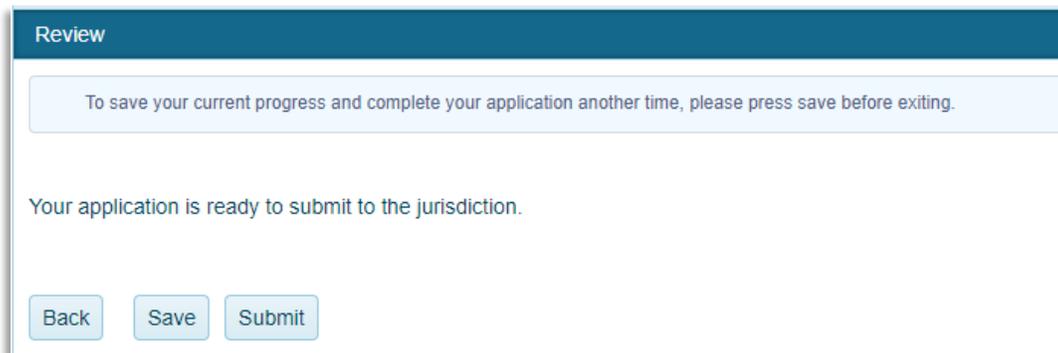

The screenshot shows a web form titled "Files Upload" with a dark blue header. Below the header is a light blue instruction box: "If you are attaching any files to this application, click 'Upload Files', select the file(s), and please wait for the file(s) to finish uploading before proceeding to the next step. If you are expected to include files with your application, a notice will appear below these instructions to inform you of what to upload." Below this is a paragraph: "Upload the following files with your application. When at all possible, please upload PDF files. Consolidate documents/pages into as few PDF documents as possible." There are two sections: "- Contractor License" with a link icon and text "Click to download or view page. Please include a copy of the valid trade license." and "- Files". Each section has a light blue "Upload Files" button. At the bottom are "Back" and "Next" buttons.

This is where you can upload building plans, drawings, and other documentation that may help in obtaining your permit.

Once you have selected and uploaded the necessary files, click “Next”.

If all required sections are filled out, you will be able to **submit** the application to your jurisdiction. If there are unfilled required fields, you will be given the option to **save** the application to your account and finish it at another point in time.

The screenshot shows a web form titled "Review" with a dark blue header. Below the header is a light blue instruction box: "To save your current progress and complete your application another time, please press save before exiting." Below this is a paragraph: "Your application is ready to submit to the jurisdiction." At the bottom are three buttons: "Back", "Save", and "Submit".

Apply Online for a Planning & Zoning Project

Some jurisdictions use Planning & Zoning projects as well as Permits & Licensing. While similar, Planning & Zoning deals more with permits for subdivisions, zoning change requests, and special use permits. When submitting the application for a Planning & Zoning project, you will be able to upload maps and plans related to your project.

Step 1: Log in to www.MyGovernmentOnline.org. Hover over Planning & Zoning and select "Apply Online".

Pay Online

MyGovernmentOnline allows you to pay permitting fees from the convenience of your home or office. The jurisdiction will notify you via email when you are able to pay fees online. Fee amounts vary between permit types and jurisdiction but the process you will take to pay fees through the customer portal is always the same.

Step 1: Log into your MyGovernmentOnline Account. [Click here if you don't have an account.](#)

Step 2: Locate the project by searching the project number or address. You will have to add the project to your account to pay fees. [Click here to learn how to add projects to your MyGovernmentOnline account.](#)

Step 3: Open the project by clicking View Permit. The total fee amount, balance due and balance paid will be displayed in the overview box at the top of the project page.

View	Jurisdiction	Alias	Project #	Address
View Permit	Fort Bend County		2019-106	TX

From here, you can click "Print Receipt" to view and print a receipt with the project number, project address and a list of all fees and payments.
