### **Library to host August movie series**

**Kerrville, Texas (Aug. 1, 2019)** – The Butt-Holdsworth Memorial Library, located at 505 Water St., invites movie buffs to join us for our August movie series celebrating the theme, “A Universe of Stories.” Each Monday we will screen a family-friendly science fiction movie starting at 2 p.m. in the first floor meeting room.

On Aug. 5, join us for the tale of a young boy named Elliot and his friend from the stars. NASA’s “successful failure” is the plot of the Aug. 12 movie, while Aug. 19 will see our planet experience close encounters with strangers from the beyond. Don’t forget to stop by the library throughout the month of August to vote on the final movie in the series to be shown on Aug. 26.

This movie series is free and open to the public. For title information, please contact the library reference desk at (830) 258-1274.
