LearningExpress Library at the Butt-Holdsworth Memorial Library

Kerrville, Texas (Aug. 16, 2019) – Did you know that the Butt-Holdsworth Memorial Library provides card holders with online tutorials, practice tests and eBooks that address needs in workplace, professional, and academic development? Through EBSCO's *LearningExpress Library*, part of the library's TexShare Databases collection, all of these

academic and career-related solutions are available in one platform. *LearningExpress Library* provides skill-building in reading, writing, math, and science, test preparation for the classroom, college admissions exams, occupational licensing tests, workplace skills improvement, career exploration, and much more.

LearningExpress tutorials help learners improve basic skills with feedback and guidance, including unit and lesson reviews, pre- and post-tutorial assessment tests and quizzes, and study plans with links to content for additional learning.

“LearningExpress Library is a valuable educational and career tool for everyone,” said Library Director Laura Bechtel. “Helping people find the reliable information they need to make important decisions is a primary mission of the Butt-Holdsworth Memorial Library, and we’re excited that we can also play a more active role in helping students and adult learners achieve their academic and career goals.”

The TexShare Databases are funded by a grant from the U.S. Institute of Museum and Library Services. The TexShare Databases are a program of the Texas State Library and Archives Commission and are made possible by state and federal funds, as well as through member participation fees.

For more information, contact the library reference desk at (830) 258-1274, or visit the city’s website at www.kerrvilletx.gov.
