City encourages everyone to review unclaimed property list

Kerrville, Texas (Dec. 10, 2019) - Did you know that the City of Kerrville could be holding your unclaimed property? The City's unclaimed property represents checks that were issued, but never cashed.

Common examples include utility

refunds issued when an account is closed and the customer moves. Perhaps the check went to the wrong address or was lost in the process of a move.

The City encourages everyone to review our list of unclaimed property on the City's website at: <https://www.kerrvilletx.gov/DocumentCenter/View/30856/Unclaimed-Property?bidId=>. Please contact the City's Finance Department at (830) 257-8000 if your name is on the list. Once identification is verified, a check can be reissued.

In addition, unclaimed property meeting certain age and dollar amount requirements is remitted to the State of Texas. Check for unclaimed property that the State is holding

by viewing the State Comptroller's list at: <https://claimitexas.org/>. Instructions for searching for and claiming property from the state are located on this site.
