Library to join consortium of e-book distributors

Kerrville, Texas (Oct. 23, 2020) – The Butt-Holdsworth Memorial Library is pleased to announce that it has joined OverDrive’s Lonestar Consortium for ebooks/audiobooks. The consortium is comprised of more than 30 libraries in central Texas, and their entire collection is now available to library patrons. Books in the consortium can be checked out using Libby, a one-tap reading app offering access to ebooks and digital audiobooks for free. Library patrons can stream books with Wi-Fi or mobile data, or download them for offline use and read anytime, anywhere. All you need to get started is a library card.
