Learn and discuss with the library's Great Decisions group

Kerrville, Texas (Nov. 16, 2020) – The Butt-Holdsworth Memorial Library will be hosting a Great Decisions discussion on Tuesday, Nov. 24 at 4 p.m in the library meeting room. Participants will view a short educational film and library staff will facilitate a group discussion on this month's Great Decisions featured topic, "Artificial Intelligence"

Great Decisions is America's largest discussion program on world affairs. Originally launched in Portland, Ore. in 1954, the discussion program is based on the "Avon" model of face-to-face active and informal conversation. Today, eight topics are selected by a panel of experts for Great Decisions groups to address each year.

Library patrons wishing to participate need to register as space is limited to meet social distancing requirements. Masks are required. Registration can be conducted either in person at the reference desk, over the phone by calling (830) 258-1274, or online through the

library's website at www.bhmlibrary.org. Upon registering for the event, patrons will need to check out a Great Decisions Briefing Book from the circulation desk and read the brief chapter on the month's featured topic.

There is no charge for this event. For additional information, please contact the library reference desk at (830) 258-1274.
