### **Expect delays on Lehmann Drive South, Granada Place South over next two months**

**Kerrville, Texas (May 3, 2022)** – The City of Kerrville would like to notify citizens to expect delays

on Lehmann Drive South between Highway 16 and Cully Drive and also at Granada Place South over the next two months to allow for utility construction associated with the Residence at RidgeHill project. Due to Lehmann Drive South and Granada Place South being heavily-trafficked roads, only

one lane will be shut down at a time. Weather permitting, this project is expected to be complete by the end of June, 2022.

Should you have any questions about this project, feel free to contact the city at (830)-258-1221.
