### **Kerrville-Schreiner Park to host annual bow hunt**

**Kerrville, Texas (Nov. 30, 2022)** – The City of Kerrville Parks and Recreation Department would like to announce that Kerrville-Schreiner Park will once again host the Texas Parks and Wildlife’s wildlife management bow hunt in December.

For safety, the Southside/Hillside area of the park will be closed Dec. 1-18, 2022 to all traffic and park visitors; however, the Riverside area of the park will remain open to the public as usual. The Southside/Hillside area of the park will reopen on Dec. 19.

Hunters are selected to participate in the wildlife management bow hunt through an electronic drawing process facilitated by the Texas Parks and Wildlife Department’s Public Hunt Program each year. Additional information about the Public Hunt Program can be found at <https://tpwd.texas.gov/huntwild/hunt/public/>. Standby hunters will not be allowed this year.
