### Now available: 2023 bulky item drop off vouchers

**Kerrville, Texas (Jan. 23, 2023)** – The City of Kerrville Public Works, Solid Waste Division would like to remind citizens about the free bulky item drop off program. Through this program, the city sponsors two free trips per calendar year to the landfill for Kerrville residents with an active account for solid waste services.

Eligible residents may request two landfill vouchers to be issued and used during 2023.

Residents may discard unwanted appliances such as washers, dryers, water heaters and other miscellaneous furniture. Refrigerators, freezers and A/C units are allowed only if the refrigerant has been reclaimed and the unit has been tagged by a licensed technician. Bagged trash, as well as brush and yard waste, is also allowed to be dropped off at the landfill with the voucher.

Below are some important **voucher guidelines** that must be followed:

- Wearing a safety vest is required when unloading. For your convenience, the landfill sells vests for \$2.
- Each voucher is valid for ONE trip to the Landfill during 2023.
- Vouchers expire Dec. 31, 2023.
- All items transported must be covered and/or secured during transportation.
- Landfill/Transfer Station Hours: Monday – Friday 7:30 a.m. to 4:50 p.m. &  
Saturday 8 a.m. to 1 p.m.
- Loads larger than a utility trailer must be approved prior to drop off. Call Public Works at (830) 258-1221.
